

SLAYERS

17 THE LONG ROAD HOME

BY HAJIME KANZAKA
ILLUSTRATIONS BY RUI ARAIZUMI

Slayers Vol 4

Robert Joseph Levy

Slayers Vol 4:

Buffy the Vampire Slayer Season 8 Volume 4: Time of Your Life Joss Whedon, Various, 2009-05-05 Willow and Buffy head to New York City to unlock the secrets of Buffy's mysterious scythe when something goes terribly awry. Buffy is propelled into a dystopian future where there's only one Slayer: Fray, the title character of Joss Whedon's 2001 series, the first comic he ever wrote. Their uneasy alliance falls apart, leading to the death of a major character from the TV series. While back in the twenty-first century, the Scotland base falls prey to a mystical bomb courtesy of the Biggest Bad, Twilight. The first two volumes of Buffy Season Eight have combined to sell over 160,000 copies. Includes the highly anticipated Buffy Fray crossover *Time of Your Life* and *After These Messages We'll Be Right Back*, written by Jeph Loeb. Batman: The Long Halloween. Joss Whedon, the man, the myth, the legend, writes the comic with the same genius as he did the show. The art, penciled by Georges Jeanty, is as faboo as the writing. Janet Evanovich, New York Times best-selling author of *Hard Eight*, the dialogue is Whedonesque, and I can hear how the actors would read their lines. It's fun and witty, and we're treated to more fantastical stories than the WB/UPN could ever pony up the money to do. **Comic Book Resources** A New York Times bestseller *Buffy the Vampire Slayer Season 8 Library Edition Volume 4* Joss Whedon, Brian K. Vaughan, 2013 Series creator Joss Whedon brought Buffy the Vampire Slayer back to life with this comic; only follow up to Season 7 of the television show. This hardcover edition contains the first two arcs of the series plus two one-shots written by Joss Whedon and Brian K. Vaughan: *The Last Man Runaways*, with art by the acclaimed Georges Jeanty. *Buffy the Vampire Slayer Season 8 Library Edition Volume 4* Various, 2016-03-23 Season 8's Big Bad is revealed in Buffy and Twilight's second major encounter. Buffy realizes she is in a fight to save all of humanity. The Slayer reunites with Angel and Spike, searching for the one thing that can save the world while the Slayer army crumbles, and one in their ranks is lost. Collects Season 8 31-40 and the Riley one-shot in one value package. A New York Times bestseller. A great introduction to Buffy in comics. **Queen of the Slayers** Nancy Holder, 2005-06 There is no time for Buffy to take a vacation, and she could be facing death because there is a lot of evil in the world. *The Buffyverse Catalog* Don Macnaughtan, 2015-08-21 This bibliographic guide covers the Buffyverse, the fictional worlds of the acclaimed television series *Buffy the Vampire Slayer* (1997-2003) and its spinoff *Angel* (1999-2004), as well as the original Buffy feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production, and websites. This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible, authoritative, and comprehensive survey of the subject. **The Deathless** Keith R. A. DeCandido, 2007-04-24 As if Ring Day weren't enough to make Buffy Summers anxious, she can't even afford one of the less expensive silver bands the Slayer has. Her hands are full trying to figure out why an average split-level house in Sunnydale has all the vampires spooked. When she

arrives at the library to discuss this new development with Giles a package he's received from an old folklorist in Russia reveals what's going on The stars are properly aligned for an attempt to resurrect Koschei the Deathless a long dead evil sorcerer So while her classmates are busy choosing rings to demonstrate their school spirit Buffy must figure out how to keep someone from reviving Koschei and should she need to resort to plan B how to kill him again A little investigating soon leads Buffy and the gang to the necromancer who originally killed the sorcerer an immortal Russian sorceress named Yulia Dryanushkina who can control vampires which explains their reluctance to pass by her place of residence When the crew pays Yulia a visit she assures them that with Willow's assistance she would be able to kill the sorcerer again should he be revived Neither Buffy nor Willow are particularly comfortable with aligning themselves with the necromancer but they have no other choice when twenty four hours later the vampires start behaving strangely and half the senior class goes missing

Colony Laura J. Burns, Melinda Metz, 2005-10 Interactive storylines allow readers to choose more than two dozen possible endings A guest speaker who is actually an ant like demon queen arrives at Sunnydale to talk about self esteem and to recruit drone like workers to build her colony **Portal Through Time** Alice Henderson, 2006-11-28 Buffy thought she'd finished the Master when she dusted him But in Sunnydale things have a way of coming back The Master may be dead but he is not forgotten One of the vampire lord's devotees sets out to alter the past so that he can resurrect the Master without Buffy's meddling When he conjures up a portal to transport his minions through time the vampires are poised to murder the most powerful slayers in history It is up to the Scoobies to stop the Master's followers before they break the chain of slayers Giles Xander Willow and Buffy pursue the vamps back in time through the portal to save the slayers of the past They must track the bloodsuckers from the French Revolution to the American Civil War without getting detected or worse But you can't change the past without changing the present *Buffy the Vampire Slayer: Carnival of Souls* Nancy Holder, 2006-04-29 SOMETHING WICKED EVIL THIS WAY COMES There's something troubling about Professor Caligari's Traveling Carnival Perhaps it's that no one can recall the arrival of its hard to miss caravan of old style wagons countless performers and horse drawn carts Maybe it's the creepy calliope music that tirelessly beckons visitors Let's face it an enigma that chooses Sunnydale nearly guarantees it's up to more than wholesome family entertainment After a visit to the carnival's Hall of Mirrors a once shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway Intuiting the twins abrupt personality change as more than a self confidence boost Buffy joined by Angel Giles and the rest of the Scoobies decides to investigate the suspicious carnival firsthand But soon it's apparent that the price of admission is higher than she imagined Those who enter the carnival's attractions exit changed Each of the gang soon shows extreme displays of vice Willow is wracked with envy Cordelia's greed consumes her Xander unleashes his gluttony Angel reveals a lusty new persona And a dark anger rises in Giles But it's Buffy's now blinding pride that threatens to overpower her and in the process destroy those she loves **The Whedonverse Catalog** Don Macnaughtan, 2018-06-04 Director producer and

screenwriter Joss Whedon is a creative force in film television comic books and a host of other media This book provides an authoritative survey of all of Whedon s work ranging from his earliest scriptwriting on Roseanne through his many movie and TV undertakings Toy Story Buffy the Vampire Slayer Angel Firefly Serenity Dr Horrible The Cabin in the Woods and Agents of S H I E L D to his forays into the Marvel Cinematic Universe The book covers both the original texts of the Whedonverse and the many secondary works focusing on Whedon s projects including about 2000 books essays articles documentaries and dissertations

The Enigmatic Realm of **Slayers Vol 4**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Slayers Vol 4** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book is core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
