themes along with much decadence gardens and gowns and a happily ever after that is both bitter and sweet This series was originally published as the Queen of the Sun Palace and collects the following three books BOOK ONE PRISONER OF SILK BOOK TWO PRISONER OF MIRRORS BOOK THREE PRISONER OF DREAMS *The Sleeping Beauty Proposal* Sarah Strohmeier, 2008-06-03 A wickedly funny fairytale for modern women from the laugh out loud funny Washington Post Book World author of *The Cinderella Pact* Genie's commitment phobic boyfriend is finally proposing on national television To the woman he's been seeing on the side It's a major wake up call for a girl who's hit the snooze button on her life a few too many times With no names mentioned on the broadcast Genie finds herself flooded with presents and congratulations It's up to her to explain the mistake but sometimes waking up is hard to do When her parents start planning the reception she can't help enjoying herself Why call off the so called engagement just yet It's fun to play princess But unless a prince shows up and soon this dream could start getting weird Once Upon an American Dream Andrew Lainsbury, 2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe's love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty's Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about Pop-ups, Illustrated Books, and Graphic Designs of Czech Artist and Paper Engineer, Vojtěch
