Speak with Impact Allison Shapira, 2018-10-16. When you know what to say and how to say it people listen. Find your powerful voice and step into leadership. Speak with impact. Every day you have an opportunity to use your voice to have a positive impact at work or in your community. You can inspire and persuade your audience or you can distract and put them to sleep. To get ahead and make an impact you need to deliver well-crafted messages with confidence and authenticity. You must sound as capable as you are. Public speaking is a skill, not a talent. With the right guidance anyone can be a powerful speaker. Written by former opera singer turned CEO and TEDx speaker Allison Shapira. Speak with Impact unravels the mysteries of commanding attention in any setting, professional or personal. Whether it's speaking up at a meeting, presenting to clients or talking to large groups, this book's easy-to-use frameworks, examples and exercises will help you. Engage your audience through storytelling and humor. Use breathing techniques to overcome stage fright. Strengthen and project your voice by banishing filler words, uptalk. Use effective body language and build your executive presence. Compose a clear message and deliver confident, authentic presentations. Learn to conquer fear, capture attention, motivate action and take charge of your career with Speak with Impact.
