Speaking Of Higher Education The Academics Of Quotations:

Speaking of Higher Education Robert Birnbaum, 2004-01-30 More than 1 600 quotations representing key topics in higher education are presented both thematically and chronologically Confronting Academic Mobbing in Higher Education: Personal Accounts and Administrative Action Crawford, Caroline M., 2019-09-27 Academic mobbing a bullying behavior that targets a specific faculty member is growing in higher education It is a dangerous phenomenon that often attacks competent researchers and scholars who are ethical outspoken in support of others and normally reflect professional achievement that is coveted resented and perceived as intimidating by lesser faculty and administrators Therefore it is important to understand how academic mobbing begins expands amongst faculty and administrators is actually supported by faculty and administrators by either proactive efforts or actively ignoring and results in a weakening of the higher education institution due to the reputation being detrimentally and many times irreparably impacted Confronting Academic Mobbing in Higher Education Personal Accounts and Administrative Action is an essential research publication that provides comprehensive research on the development of academic mobbing as a prevalent form of bullying within higher education and seeks to explore solutions and provide support for professionals currently dealing with this phenomenon Highlighting a range of topics such as ethics faculty outcomes and narcissism this book is ideal for higher education faculty deans department chairs provosts chancellors university presidents rectors administrators academicians researchers human resources faculty policymakers and academic leaders Generation X Professors Speak Elwood Watson, 2013-03-22 While the Baby Boomer generation has consistently commanded widespread attention both scholarly and popular little has been written about Generation X the 46 million Americans born between the mid 1960s and late 1970s But with Baby Boomers now moving into retirement members of Generation X have come to the forefront of American society Consequently understanding Generation X and the potential impact of the independent sometimes rebellious spirit that characterizes it is critical In Generation X Professors Speak Voices from Academia Elwood Watson has assembled a unique collection of thematically arranged essays by academics that offers insights into the issues conflicts and triumphs that epitomize this often overlooked generation One essayist writes about her determination to achieve her career goals without sacrificing time with her family while another speaks about being a stay at home dad and teaching part time at a university Another essay covers disabilities depression and mental illness pointing to the sympathetic approach Gen Xers tend to take toward individuals often marginalized by society The acceptance of interracial marriage on the part of members of Generation X is engagingly presented by an ivy league educated white man married to a woman of African descent And the role religion plays in the lives of Gen Xers is movingly expressed by an essayist whose commitment to his spiritual faith have allowed him to combat racial social family personal and academic issues These and the other essays in this collection passionately and sometime provocatively cover topics ranging from career class family life health music and physical disabilities to race religion and

sexuality Together the essays define the characteristics and demonstrate the diversity of Generation X and will appeal to scholars students and others interested in social history psychology gender studies and popular culture *Handbook of Research on Adult Learning in Higher Education* Okojie, Mabel C.P.O.,Boulder, Tinukwa C.,2020-02-01 In today s globalized world professional fields are continually transforming to keep pace with advancing methods of practice The theory of adult learning specifically is a subject that has seen new innovations and insights with the advancement of online and blended learning Examining new principles and characteristics in adult learning is imperative as emerging technologies are rapidly shifting the standards of higher education The Handbook of Research on Adult Learning in Higher Education is a collection of innovative research on the methods and applications of adult education in residential online and blended course delivery formats This book will focus on the impact that culture globalization and emerging technology currently has on adult education While highlighting topics including andragogical principles professional development and artificial intelligence this book is ideally designed for teachers program developers instructional designers technologists educational practitioners deans researchers higher education faculty and students seeking current research on new methodologies in adult education
