Speaking of the Short Story Farhat Iftekharuddin,Mary Rohrberger,Maurice Angus Lee,1997 Here twenty one interviews eighteen with contemporary writers and three with scholars of the short story reveal the demanding and exhilarating requirements the short story imposes upon its practitioners Although amateurs delight in writing stories form proves to demand a master touch like that of the interviewees *Proceedings of the 4th International Conference on Linguistics and Culture (ICLC-4 2023)* Muhammad Hasyim,2024-05-22 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods

that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

The Writer, 1914 **Aino Kallas** Leena Kurvet-Käösaar, Lea Rojola, 2011-07-12 The collection first one ever on Aino Kallas in English highlights her significance to the artistic and intellectual horizons of modernity of Finland and Estonia as well as those of Scandinavia and Europe In the 1920s and 30s Aino Kallas became an internationally renowned author and a selection of her work was translated into English For her participating in the immediate cultural debates in Estonia and Finland was a priority yet her whole oeuvre is a negotiation between her more immediate contexts and the leading conceptual frameworks of aesthetics geniality knowledge subjectivity race sexuality nature etc circling in Europe at the end of the 19th and the beginning of the 20th century Containing articles focusing on the question of female voice and echoes of feminist ecological thought in her fiction a contrapuntal reading of her fiction and that of Isak Dinesen her unknown manuscript Bathseba the implications of existentialist thought for her work Kallas engagement in her cultural criticism and life writings with decadent modernism issues of race and heredity subjectivity and borders travel ageing her interpretation of Goethe and the iconography of Kallas the collection features the work of today's leading Aino Kallas scholars in Finland and in Estonia

American Secrets Eduardo Barros-Grela, José Liste-Noya, 2011-08-25 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret American Secrets explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain's anti imperialist prophecies to 9 11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations
