fresh look at the place of Mary in Christian faith and concluded that she has been more the victim than the cause of discord. The participants found themselves at one in their acceptance of the virginal conception and motherhood of Mary. At the same time the group reminded their coreligionists of areas where both sides still need to be converted to authentic Christianity. While warning against the excesses of goddess theology they nevertheless concluded that Mary exemplifies the decisive and perfect example of the Yes which Christian faith must utter.
