

An aerial photograph of a large Canadian military aircraft carrier, likely a Colville-class ship, sailing on the ocean. The ship is dark-colored with a prominent white funnel. The sea is a deep blue-grey, and the sky is a lighter, hazy blue. The ship is angled towards the left of the frame.

Spearhead To Victory Canada And The Great War

Martin Brook Taylor, Doug Owram

Spearhead To Victory Canada And The Great War:

Canada and the Great War Western Front Association, 2003 This volume explores the military and socio cultural history of World War I adding new dimensions not only to the history of Canada's role in the war but to the war's role in shaping Canada The topics covered are wide ranging and eclectic and include among others studies of the Battle of Amiens the Halifax explosion Charlie Chaplin and wartime propaganda in the Canadian Expeditionary Force Newfoundland's contribution to the war effort the leadership capabilities of Brigadier General Griesbach and the wartime poetry of John McRae

Britain and Victory in the Great War Peter Liddle, 2018-06-30 How can we begin to make sense of the Great War now that over 100 years have passed since it ended with the defeat of Germany Austria Hungary the Ottoman empire and Bulgaria and the collapse of Tsarist Russia The conflict had such a profound influence on world history that it is difficult to reconcile the different perspectives and draw clear conclusions That is why this thought provoking collection of original essays on the outcome of the war and its aftermath is of such value It completes the trilogy of ground breaking volumes conceived and edited by Peter Liddle which presents the latest scholarly thinking about the Great War from an international perspective The first two volumes *Britain Goes to War* and *Britain and the Widening War* made this stimulating new writing accessible to a broad readership and this final volume has the same aim A group of over twenty expert contributors reconsider the military reasons for the outcome of the fighting and look at the consequences for the principal nations involved They explore the way the war and the peace settlement shaped the twentieth century and had an enduring impact within Europe and beyond

Spearhead to Victory Daniel George Dancocks, 1987

Propaganda and Censorship During Canada's Great War Jeff Keshen, 1996-07 They expected the brave and Christian conquering heroes manufactured by the opinion makers rather than the combat scarred weary and often embittered men who disembarked back in the Dominion It took another decade of less filtered information ten years of pain and dislocation for returned veterans before the Great War imagined by Canadian noncombatants began to resemble the war really experienced by Canadians overseas

The Apathetic and the Defiant Craig L. Mantle, 2007-02-12 Canadian soldiers have served their country for centuries and for the most part they have done so honourably and loyally Yet on certain occasions their conduct has been anything but honourable Whether by disobeying their legal orders terrorizing the local population or committing crimes in general some soldiers have embodied the very antithesis of appropriate military conduct Covering examples of unsavoury behaviour in the representatives of our military forces from the War of 1812 to the immediate aftermath of the First World War *The Apathetic and the Defiant* reveals that disobedience and mutiny have marked all of the major conflicts in which Canada has participated Canadian military indiscipline has long been overshadowed by the nation's victories and triumphs until now

British Generalship during the Great War Simon Robbins, 2016-04-15 Following the career of one relatively unknown First World War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World

War was a senseless bloodbath conducted by unimaginative and incompetent generals. Instead, it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re-establish the image of the British generals and explain the reasons for the failures of 1915-16 and the successes of 1917-18 and how this remarkable change in performance was achieved by a much maligned group of senior officers. Horne's important career and remarkable character sheds light not only on the major battles in which he was involved, the progress of the war, his relationships with his staff and other senior officers, the novel problems of trench warfare, the assimilation of new weapons, tactics and training methods and the difficulties posed by the German defences, but also on the attitudes and professionalism of a senior British commander serving on the Western Front. Horne's career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century. It also gives an important insight into the attitudes, ethos and professionalism of the officer corps which led that army to victory on the Western Front, exposing not only its flaws but also its many strengths. This study consequently provides a judgment not only on Horne as a personality, innovator and general of great importance, but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs, giving birth to a Modern Style of Warfare which still prevails to this day.

Doughboys on the Great War Edward A. Gutiérrez, 2017-01-20. It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918. Edward Coffman wrote in *The War to End All Wars*. In *Doughboys on the Great War*, the voices of thousands of servicemen say otherwise. The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919. Where many were simply asked for basic data, veterans from four states—Utah, Minnesota, Connecticut and Virginia—were given questionnaires soliciting additional information and remarks. Drawing on these questionnaires completed while memories were still fresh, this book presents a chorus of soldiers' voices speaking directly of the expectations, motivations and experiences as infantrymen on the Western Front in World War I. What was it like to kill or maim German soldiers? To see friends killed or maimed by the enemy? To return home after experiencing such violence? Again and again, soldiers wrestle with questions like these, putting into words what only they can tell. They also reflect on why they volunteered, why they fought, what their training was and how ill prepared they were for what they found overseas. They describe how they interacted with the civilian populations in England and France, how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly, what it all added up to in the end. Together, their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the battlefields of Aisne, Marne, Argonne Forest, Belleau Wood, Château Thierry, the Marne, Metz, Meuse, Argonne, St. Mihiel, Sedan and Verdun during the First World War. The picture that emerges is often at odds with the popular notion of the disillusioned doughboy. Though hardened and harrowed by combat, the veteran heard here is for the most part proud of his service, service undertaken for duty, honor and country. In short, a hundred years later,

the doughboy once more speaks in his own true voice *A Military History of Canada* Desmond Morton, 2007-08-07 Updated to 2007 including Canada's war on terrorism Is Canada really a peaceable kingdom with an unmilitary people Nonsense says Desmond Morton This is a country that has been shaped divided and transformed by war there is no greater influence in Canadian history recent or remote From the shrewd tactics of Canada's First Nations to our troubled involvement in Somalia from the Plains of Abraham to the deserts of Afghanistan Morton examines our centuries old relationship to war and its consequences This updated edition also includes a new chapter on Canada's place in the war on terrorism *A Military History of Canada* is an engaging and informative chronicle of Canada at war from one of the country's finest historians *Canadian History: Confederation to the present* Martin Brook Taylor, Doug O'Wram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Lifesavers and Body Snatchers** Tim Cook, 2022-09-13 WINNER OF THE 2023 OTTAWA BOOK AWARD SHORTLISTED FOR THE 2022 TEMPLER MEDAL FOR BEST BOOK From Canada's top war historian a definitive medical history of the Great War illuminating how the carnage of modern battle gave birth to revolutionary life saving innovations It brings to light shocking revelations of the ways the brutality of combat and the necessity of agonizing battlefield decisions led to unimaginable strain for men and women of medicine who fought to save the lives of soldiers Medical care in almost all armies during the Great War and especially in the Canadian medical services was sophisticated and constantly evolving Vastly more wounded soldiers were saved than lost Doctors and surgeons prevented disease from decimating armies confronted ghastly wounds from chemical weapons remade shattered bodies and struggled to ease soldiers battle haunted minds After the war the hard lessons learned by doctors and nurses were brought back to Canada A new Department of Health created guidelines in the aftermath of the 1918 1919 influenza pandemic which had killed 55 000 Canadians and millions around the world In a grim irony the fight to improve civilian health was furthered by the most destructive war up to that point in human history But medical advances were not the only thing brought back from Europe *Lifesavers and Body Snatchers* exposes the disturbing story of the harvesting of human body parts in medical units behind the lines Tim Cook has spent over a decade investigating the history of Canadian medical doctors removing the body parts of slain soldiers and transporting their brains lungs bones and other organs to the Royal College of Surgeons RCS in London England Almost 800 individual body parts were removed from the dead and sent to London where they were stored treated and presented in exhibition galleries After being exhibited there the body parts were displayed in Canada This uncovered history has never been told before and is part of the hidden legacy of the medical war Based on deep archival research and unpublished letters of soldiers and medical personnel *Lifesavers and Body Snatchers* is a powerful narrative told in Cook's literary style which reveals how the medical services supported the soldiers at the front and forged a profound legacy in shaping Canadian public health in the decades that followed

Spearhead To Victory Canada And The Great War Introduction

In today's digital age, the availability of Spearhead To Victory Canada And The Great War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spearhead To Victory Canada And The Great War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spearhead To Victory Canada And The Great War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spearhead To Victory Canada And The Great War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spearhead To Victory Canada And The Great War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spearhead To Victory Canada And The Great War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spearhead To Victory Canada And The Great War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Spearhead To Victory Canada And The Great War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spearhead To Victory Canada And The Great War books and manuals for download and embark on your journey of knowledge?

FAQs About Spearhead To Victory Canada And The Great War Books

1. Where can I buy Spearhead To Victory Canada And The Great War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
