## **Special Educational Needs In The Primary School A Practical Guide:**

*Special Educational Needs in the Primary School* Jean Gross, 1996 At a whole school level it offers practical guidance on developing special needs policies assessment record keeping and the management of time roles and resources The focus is on the ways in which schools can do a good job in meeting special needs themselves within everyday constraints of time money and energy and in doing so hold back the tide of increasing marginalization of vulnerable children within the education system

**The Practical Guide to Special Educational Needs in Inclusive Primary Classrooms** Richard Rose, Marie Howley, 2006-12-19 A well written and thought provoking book for teachers It offers many ideas to improve inclusive practice in primary schools to the benefit of all pupils not only those with additional or different learning needs Special magazine Written for newly qualified teachers and students approaching the end of their training courses this practical and accessible text is an introduction to working with children of a range of abilities in inclusive primary classrooms The book draws on recent research and innovation in the education of pupils with special educational needs to provide practical examples and advice on how to meet the challenges of developing effective teaching and learning in inclusive settings Chapters cover becoming an inclusive teacher pupils giving cause for concern teaching and learning styles creating inclusive classroom environments and teaching teams learning from pupils looking beyond school developing further as a professional With advice on building positive attitudes developing specific teaching strategies and adapting a personalising teaching approaches the book helps teachers to build upon their earlier training in both practical and reflective ways Richard Rose is Professor of Special and Inclusive Education and Director of the Centre for Special Needs Education and Research at University College Northampton Marie Howley is senior lecturer in the Centre for Special Needs Education and Research at University College Northampton teaching on both undergraduate and post graduate courses and in continuing professional development for teachers

Managing Special Educational Needs Suanne Gibson, Sonia Blandford, 2005-05-19 This is a most worthwhile book which contributes significantly to the general body of knowledge on managing pupils with special education needs I found it interesting and informative Schools cannot but benefit from the book's scope and from insights into the many and varied aspects on SEN provision REACH A particular strength of the book is the way in which individual chapters provided self contained material which lends itself for use in school based staff development activities The book includes a lot of information that SENCOs inclusion managers and members of school leadership teams should find useful SENCO Update The strongest point about this book is that it gives a good overview of the history of special educational needs policy in this country including recent development on inclusion TES Extra Special Needs It is a very practical account and should be a handbook for any newly appointed SENCO while for experienced SENCOs and organisations where inclusion is not an issue this book is a reminder of good practice Special Written from a practitioner's perspective this book shows schools how to effectively implement and manage an inclusive school environment Drawing from their experience in a range

of schools the authors highlight the problems encountered by professionals in both primary and secondary school settings and offer practical solutions and advice The book offers guidance on the role of the SENCO as a teacher and manager government policy and legislation self evaluation good practice and monitoring how to relate SEN to school targets and development plans Primary and secondary school teachers headteachers student teachers SENCOs LEA Advisers and professionals involved in the management of Special Educational Needs in schools will find the practical support offered in this book invaluable
