Specialized Agencies and the United Nations Douglas Williams,1990-01 *The Charter of the United Nations* ,2024-07-04 Since the third edition of this commentary on the Charter of the United Nations was published in 2012 the text of the Charter has not changed DL but the world has Central pillars of the international order enshrined in the UN Charter are facing serious challenges notably the prohibition of the use of force Human rights too have come under increasing pressure now also from contemporary information technology Global warming poses fundamental challenges for the world community as a whole in its effort to stabilize global ecosystems Fully updated the commentary takes up these and other developments It features new chapters on Climate Change and the Human Rights Council The commentary remains the authoritative article by article account of the legislative history interpretation and practical application of each and every Charter provision Written by a team of distinguished scholars and practitioners this book combines academic research with the insights of practice It is an indispensable tool of reference for all those interested in the United Nations and its legal significance for the world community The Commentary will be crucial in combining solid legal foundations with new directions for the development of international law and the United Nations in the twenty first century

United Nations at the Millennium Paul Taylor,A.J.R. Groom,2000-01-01 This book provides unparalleled coverage of each of the principal organs of the United Nations This collection offers a survey of the life of each organ since its inception in 1945 the extent to which it has fulfilled its founding mission and proposals for reform As well as providing comprehensive coverage of the present role of this highly influential organization the book addresses larger questions about the role of the U N and the fitness for purpose of its principal organs as a means to global governance

Reforming the United Nations Joachim M. Müller,1997-09 Presents a compendium of 50 reform proposals dating from 1961 to 1996 originating both inside and outside the United Nations

A Changing United Nations W. Knight,2000-10-19 The United Nations is at a critical juncture It is faced with two distinct choices to remain a decision frozen in time or to develop a long term adaptation agenda and strategy that would allow it to be a relevant institution of global governance for the twenty first century Reform and reflexive institutional adjustments have failed to address underlying problems facing this organization After fifty five years of existence it is still considered an inefficient and ineffective world body Worse yet its relevance is being questioned This study offers a critique of existing UN change processes and then shifts focus to considerations of institutional learning strategies that would allow the UN to maintain relevance amidst the evolution of global governance arrangements

International Peacekeeping: The Yearbook of International Peace Operations Harvey Langholtz,Boris Kondoch,Alan Wells,2007-03-31 International Peacekeeping is devoted to reporting upon and analyzing international peacekeeping with an emphasis upon legal and policy issues but is not limited to these issues It is recognized that in today s world there is a wealth of information

available from the internet and through other sources It is therefore the goal of this Yearbook to make this information available in one publication which both organizes and records events over the course of a year through analytical articles a chronicle primary documents and a bibliography Topics include inter alia peacekeeping peace war conflict resolution diplomacy international law international security humanitarian relief humanitarian law and terrorism The Yearbook is of scholarly quality but is not narrowly theoretical It provides the interested public diplomats civil servants politicians the military academics journalists NGO employees and serious citizens with a document of record comment and a starting point for further research on peacekeeping and related topics This is achieved not only by the provision of basic documents on CD ROM such as Security Council Resolutions and Reports of the UN Secretary General but also by expert commentaries on world events Peacekeeping is treated in a pragmatic light seen as a form of international military cooperation for the preservation or restoration of international peace and security Attention is focused not only on UN peacekeeping operations but other missions as well This Yearbook is the continuation of the journal *International Peacekeeping*

International Institutional Law Henry G. Schermers, Niels M. Blokker, 2011-09-05 For the e version of the NEW 6th Edition of *International Institutional Law* please go to <https://brill.com/view/title/36421> In recent years there has been a resurgence of interest in the law of public international organizations This fifth revised edition of *International Institutional Law* covers the most recent developments in the field Although public international organizations such as the United Nations the World Trade Organization the World Health Organization ASEAN the European Union and other organizations have broadly divergent objectives powers fields of activity and numbers of member states they also share a wide variety of institutional problems Rather than being a handbook for specific organizations the book offers a comparative analysis of the institutional law of international organizations It includes comparative chapters on the rules and practices concerning membership institutional structure decision making financing legal order supervision and sanctions legal status and external relations The book's theoretical framework and extensive use of case studies is designed to appeal to both academics and practitioners See *International Institutional Law* paperback Edition *The Routledge Handbook on Crisis, Polycrisis, and Public Administration* Kim Moloney, Gloria J. Billingsley, Bok Gyo Jeong, Pablo Sanabria-Pulido, Tonya E. Thornton, Eric Zeemering, 2025-03-18 This volume considers how local national and global crises with differing durations sizes and impacts challenge the public sector to respond Within the public administration and policy disciplines there has been limited recognition about the nature of linkages among and the response options for crises and polycrises when more than one crisis emergency disaster or catastrophe whether human caused or natural simultaneously impacts citizens in one geographical location This handbook gathers experts from different fields to explore how each crisis challenges human capacity information technology and communication capabilities and how public leaders must respond These expert contributions are grouped within five thematic sections Structures in Crisis A North South Dialogue to engage national and global perspectives on how political

social and economic structures respond during crises Agents in Crisis A Cross Actor Dialogue on how agents respond to crises Human Capital and Information Technology in Crisis exploring how these resources interact during crises Public Sector Communication in Crisis examining issues of government and governance in effective crisis communication Practitioners in Crisis a reminder to the discipline that important context and realities are missed if practitioner realities are overlooked Chapters in the book engage 23 countries and one overseas dependency along with 14 crisis events Eighteen chapters are focused on one crisis event while ten chapters directly or indirectly engage polycrises As crises and polycrises become a constancy of our time this volume will be of great interest to students researchers and practitioners of public administration and public policy
