The Spectrum of the Sacred Baidyanath Saraswati,1984 **The Spectrum of the Sacred** ,1984 Sophos Ontology
Lee Irwin,2024-01-04 Sophos Ontology On Post Traditional Spirituality discusses religious plurality and post traditional perspectives on emergent forms of sacred sensibility particularly for those identifying as spiritual but not religious This book is divided into three parts The first part is a retrospective account of multiple religious traditions with emphasis on esoteric thought as influenced by mystical writings covering western eastern and Native American traditions The second part discusses the need for a new conceptualization of the sacred as expressed through multiple spiritual perspectives relevant to a pansentient post traditional process ontology Other topics in this section include the importance of an ethically shaped spirituality collective influences dreams imagination and the role of pluralism in shaping beliefs Part three explores the role of faith redefined as spiritual commitment mysticism as direct experiential knowledge and transpersonal theory influenced by comparative studies in altered states of consciousness paranormal research and the metaphysics of discovery all contributing to the development of present and future spirituality *The True Vine, Or, The Analogies of Our Lord's Allegory* Hugh Macmillan,1871 **The True Vine** Hugh Macmillan,1871 **Theology and the Blues** Justin McLendon,2024-11-25 While all music genres incorporate religious imagery the blues has its origin in the soil of the church In its infancy the blues was often dismissed as undermining the church s gospel songbook The initial resistance however could not suppress the organic development of a genre of music born from suffering The great Mississippi Delta bluesman Muddy Waters once said The blues was born behind a mule Behind a beast of burden the working man found in the blues a way to console the everyday experiences of struggle sin loss despair love grief sin death and the fear and hope of crossing the River Jordan into eternal life The church s gospel songbook explores doctrinal foundations set to music but the blues dares to uncover insight into the lived experiences of spiritual journeys Theology and the Blues showcases theological themes inherent within the organic and expressive genre of the blues Beyond Idols Richard K. Fenn,2001-06-21 This book attempts to articulate the nature of a secular society describe its benefits and suggests the conditions under which such a society could emerge To become secular argues Fenn is to open oneself and one s society to a wide range of possibilities some interesting and exciting some burdensome and dreadful While some sociologists have argued that a Civil Religion is necessary to hold together our newly religionless society Fenn urges that there is nothing to fear and everything to gain from living in a society that is not bound together by sacred memories and beliefs or by sacred institutions and practices **Spectrum** ,2006 *Tropical Ecology* ,2006 **Love's Embrace: A Tapestry of Poetic Adoration** Pasquale De Marco,2025-07-25 Immerse yourself in the enchanting realm of love with Love s Embrace A Tapestry of Poetic Adoration This captivating anthology is a testament to the transformative power of love in all its forms Within its pages you ll discover a symphony of voices each expressing the unique and profound emotions that love evokes From the first tender stirrings of a new flame to the enduring bonds of a lifetime this
