Speeding Bullet The Life And Bizarre Death Of George Reeves:

Speeding Bullet Jan Alan Henderson, 2007 *Truth and Rumors* Bill Brioux, 2007-12-30 When you first heard it you couldn't believe it Jerry Mathers from TV's *Leave It To Beaver* had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on *Barney Miller* was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn't otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in *Time* magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well *From Sawdust to Stardust* Terry Lee Rioux, 2005-02 This life story of DeForest Kelley best known for his role as Dr Bones McCoy in the classic *Star Trek* television series and subsequent feature films takes readers into the story of his tragedies and triumphs

Superman Larry Tye, 2012-06-12 The first full fledged history not just of the Man of Steel but of the creators designers owners and performers who made him the icon he is today from the New York Times bestselling author of *Satchel* and *Bobby Kennedy* A story as American as Superman himself The Washington Post Legions of fans from Boston to Buenos Aires can recite the story of the child born Kal El scion of the doomed planet Krypton who was rocketed to Earth as an infant raised by humble Kansas farmers and rechristened Clark Kent Known to law abiders and evildoers alike as Superman he was destined to become the invincible champion of all that is good and just and a star in every medium from comic books and comic strips to radio TV and film But behind the high flying legend lies a true to life saga every bit as compelling one that begins not in the far reaches of outer space but in the middle of America's heartland During the depths of the Great Depression Jerry Siegel was a shy awkward teenager in Cleveland Raised on adventure tales and robbed of his father at a young age Jerry dreamed of a hero for a boy and a world that desperately needed one Together with neighborhood chum and kindred spirit Joe Shuster young Siegel conjured a human sized god who was everything his creators yearned to be handsome stalwart and brave able to protect the innocent punish the wicked save the day and win the girl It was on Superman's muscle bound back that the comic book and the very idea of the superhero took flight Tye chronicles the adventures of the men and women who

kept Siegel and Shuster's Man of Tomorrow aloft and vitally alive through seven decades and counting. Here are the savvy publishers and visionary writers and artists of comics' Golden Age who ushered the red and blue clad titan through changing eras and evolving incarnations and the actors including George Reeves and Christopher Reeve who brought the Man of Steel to life on screen only to succumb themselves to all too human tragedy in the mortal world. Here too is the poignant and compelling history of Siegel and Shuster's lifelong struggle for the recognition and rewards rightly due to the architects of a genuine cultural phenomenon. From two-fisted crimebuster to patriotic social crusader to spiritual savior Superman perhaps like no other mythical character before or since has evolved in a way that offers a Rorschach test of his times and our aspirations. In this deftly realized appreciation Larry Tye reveals a portrait of America over seventy years through the lens of that otherworldly hero who continues to embody our best selves.

Frasier, 2015-09-11 This work covers 840 intentional suicide cases initially reported in *Daily Variety*, the entertainment industry's trade journal but also drawing attention from mainstream news media. These cases are taken from the ranks of vaudeville, film, theatre, dance, music, literature, writers with direct connections to film and other allied fields in the entertainment industry from 1905 through 2000. Accidentally self-inflicted deaths are omitted except for a few controversial cases. It includes the suicides of well-known personalities such as actress Peg Entwistle who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign, Marilyn Monroe and Dorothy Dandridge who are believed to have overdosed on drugs, and Richard Farnsworth and Brian Keith who shot themselves to end the misery of terminal cancer. Also mentioned but in less detail are the suicides of unknown and lesser-known members of the entertainment industry. Arranged alphabetically, each entry covers the person's personal and professional background, method of suicide, and in some instances includes actual statements taken from the suicide note.
