Her Shifter Harem's Babies [Full Collection] Layla Heart, 2022-08-25 Cyra a rare Omega phoenix shifter has been hiding from the shifter world for years but she s about to be dragged back into it in a big way Cyra feels that she s pretty good at pretending that she s human she s got a job at a cafe and is a princess for hire for birthday parties for kids Money is always tight but she likes her freedom and that s worth a lot to her Rare Omegas like her are never truly safe Either because her parents keep trying to marry her off to some rich Alpha for the money and status it would bring them or the constant danger of being found out kidnapped and bred by some random shifter family hoping to gain status from that Once she s claimed by an Alpha she ll become the Alpha s property and she refuses to live like that But those situations become real possibilities when Cyra finds herself at the start of the shifter mating season with an old car that constantly breaks down and her stash of medication that she uses to hide her Omega status running dangerously low and no money to afford to do something about either problem Her problems get even worse when two playboy Alphas a hydra and a griffin start showing up at the cafe Their teasing and interest making her feel things and want things she s sworn to never do with another shifter for the risk of what could happen is too great for the short enjoyment it would bring But the final straw is when she accidentally accepts to play a princess at a shifter kid s birthday party and her car breaks down right as she s about to leave Luckily or maybe she s just that unlucky two kind Alphas a cerberus and a centaur are able to give her a ride back home Their kindness making her feel safe and comforted even when it s not safe for her at all In a bout of recklessness and a desperate need for the money she accepts the offer of the cerberus and centaur to be their date to the yearly Night Gala An exclusive event at the start of the mating season where Alphas Betas and Omegas can meet but it s not uncommon for humans to attend too as dates or staff One night of looking pretty and eating fancy food and she d be able to not only fix her car but afford the medication she needs the offer is too tempting What she hadn t expected was for the hydra and the griffin to show up too Or how all four Alphas would react to her Omega scent Or how the media would hound them through the city as the five are trying to figure out what s going on Or worst of all how her parents would use this opportunity to get the fame they ve always wanted by

claiming that the four Alphas have kidnapped Cyra and that she's already promised to another Alpha. Now the five not only have to figure out their feelings but are also on the run from the media, the police, and anyone interested in getting their hands on a rare Omega, no matter the cost. This collection contains all four books in the Her Shifter Harem's Babies series: Omega Phoenix Claimed, Omega Phoenix Hunted, Omega Phoenix Pursued, and Omega Phoenix Provoked. This is a paranormal Omegaverse reverse harem. Why Choose romance. These books may include any of these elements: steamy scenes, I need tissues NOW moments, cries of why oh why, and cliffhangers that make you bite your nails and curse the author. This series contains MF, MM, and group scenes.

Better Than Before Kathryn Shay, 2014-10-20 Kathryn Shay knows how to pack an emotional wallop. Booklist. In her never before published trilogy RIGHT MATCH COM Kathryn Shay tackles some of her trademark emotional issues: the dangers of online dating, deception, divorce, disabilities, domestic violence, and raising children, all framed by three brothers who finally find their soul mates. Based on the premise "Everybody lies" on these sites, the stories show how a lie told between each couple can have devastating effects. In BETTER THAN BEFORE, charismatic and super rich venture capitalist Spence Wickham makes a bet with his brother to join an online dating service and prove people lie on these sites. But his deceit trips him up with sweet and generous Annie Hopkins, who's looking for the type of man he's pretending to be. When the truth comes out, Spence must find a way to make Annie love him for the man he is. Another winner by Kathryn Shay. The online dating stuff is fascinating. I loved all the characters' flaws, and all Shay has a way to develop such real characters, let them screw up, realize their mistakes, and emerge as even better people. Reading this book, I ran the emotional gamut: was mad as hell at what characters did, moved to tears in some scenes, laughed out loud, and cheered. The love scenes gave me a case of the vapors. I can't wait for the next one in the series. A reader's Praise for Kathryn Shay's contemporary romances. A wonderful work of contemporary romance with a plot ripped straight from the headlines. Kathryn Shay never disappoints. NY Times bestselling author Lisa Gardner. Shay writes an emotion-packed story. With angst and some hot sex, this dramatic tale also has a nice touch of humor. Portrait of a Psychopath as a Young Woman Edward Lee, Elizabeth Steffen, 2025-04-03 PSYCHOPATH. She shackles them to the bed and she glues their eyes closed. She punctures their eardrums. She sews their lips shut. TORTURESS. They can't move. They can't see or hear. They can't scream. All they can do is feel. And with her tools, her scalpels and needles, her bonesaws and her knives, she gives them a lot to feel. SHE IS UTTERLY BEAUTIFUL AND UTTERLY INSANE. The novel that American Psycho should have been: brutal, break-neck, and very real. An astonishing, gruesome feminist thriller. DOUGLAS CLEGG, author of Goat Dance, Breeder, and Neverland. The most disturbing book I've ever read. Necro Publications

The Bookfinder Sharon Spreemann Dreyer, 1989 *Omega Phoenix: Claimed (Her Shifter Harem's Babies 1)* Layla Heart, 2020-09-23 Cyra, a rare Omega phoenix shifter, has had a rough week to say the least. First, two playboy Alphas, a hydra, and a griffin start showing up at the cafe she works at. Their teasing makes her all hot and bothered, no matter how much she tries to ignore them. And then she accidentally accepts to play a princess at

a spoiled shifter kid's birthday party where her crappy old car promptly breaks down Luckily or maybe she's just cursed a cerberus and a centaur Alpha are there to save the day and give her a ride home For years Cyra has managed to hide herself from other shifters pretending she's human Because she doesn't want her parents to marry her off to a rich asshole Alpha for money and status or to be kidnapped and bred like some other rare Omega shifters She wants her freedom to be able to make her own choices and both of those things are taken away the moment she's mated Once she's claimed by an Alpha she'll become that Alpha's property and she refuses to live like that But now everything she's worked so hard for is falling apart around her Money is tight and with her crappy car constantly needing repairs she won't be able to afford the medication she needs to stay hidden from shifters especially with the mating season only weeks away So she makes a reckless decision and takes the cerberus and the centaur up on their offer to be their date to the yearly Night Gala an exclusive shifter event for bachelor Alphas Betas and Omegas though it's not uncommon for humans to attend too as dates or serving staff Their offer is too tempting one night of boring chats while looking pretty and all her money problems will be solved That is until the hydra and griffin Alphas also appear at the Night Gala and everything goes to hell This is the first book in the Her Shifter Harem's Babies series a paranormal Omegaverse reverse harem WhyChoose story This book may include any of these elements steamy scenes I need tissues NOW moments cries of why oh why and cliffhangers that make you bite your nails and curse the author This story includes MF and MM scenes Investigation of Senator Thomas J.
