Spencer Holst Stories Spencer Holst, 1976-01-01 *The Zebra Storyteller* Spencer Holst, 1993 Fiction Holst has long been treasured in the underground New York literary scene His impish delivery is filled with a childlike delight in tale spinning and yet his work is recognized for its inscrutable mysteries Containing every story Holst has ever written nearly a third of them never before published this collection should establish Holst's reputation among a wider public If there is a single aesthetic preoccupation in these tales it is with storytelling itself In the title piece a Siamese cat speaks Zebraic bewitching zebras so that he is able to kill them until he meets the zebra storyteller who has already imagined a Siamese cat speaking Zebraic This allows him to kill the cat and that is the function of the storyteller Holst concludes Such postmodern concerns however do not become boorish Above all Holst seeks to entertain not lecture imagination and language receive no especial privilege here but humor always does In *The Language of Cats* at the end of one rather long and unsuccessful attempt to describe a confused state of mind the narrator resorts to imagine how the world would appear to a person after finishing such a ridiculously lengthy pointless sentence Such authorial winks give a hint of what it is like to be in the presence of this master of the told tale Publisher's Weekly *Brilliant Silence* Spencer Holst, 2000 A legendary storyteller and writer who has charmed New York audiences for decades Holst first evolved his oeuvre in the 1950s 60s milieu of Greenwich Village influenced as much by sophisticated poets writers e.g. Hart Crane Jorge Luis Borges as by fairy tales tall tales which his writings superficially resemble Each of his sentences paragraphs and very very short stories is a complete and independent act of narrative that delivers the very essence of narrative fiction In spite of their brevity these are works of great variety and complexity displaying a fine intelligence and an inexhaustible capacity for verbal surprise Holst breaks the very frame of what a story is and what language can do **True Stories** Garrick Beck, 2017-09-07 Part memoir part
