Spon's Landscape And External Works Price 2003:

Spon's Landscape and External Works Price Davis Langdon & Everest, 2003-08-28 Spon's Landscape and External Works Price Book 2004 offers the only comprehensive source of information for detailed external works and landscape costs. It covers all the items to be found in hard and soft landscape contracts and is therefore an indispensable reference book for quantity surveyors, landscape architects and contractors. Essential for compiling estimates, specifications, bills of quantities and works schedules. A full index and list of manufacturers and suppliers gives easy reference to all items. The L and E comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. This complete package means that Spon's Landscape and External Works Price Book 2004 is now better than ever and is a resource that no building firm, surveyor or architect should be without. New features for the easier to read 2004 edition include information on and incorporating the new CIJC three year age agreement effective from Monday 30th June 2003, additional plant items to reflect the increased mechanisation of site handling of materials, new paving and kerb items, additional measured rate items for work in small gardens, non rigid constructions, pumps and rocks associated with water features.

Spon's Civil Engineering and Highway Works Price Davis Langdon & Everest, 2003-08-28 More than just a price book, Spon's Civil Engineering and Highway Works Price Book 2004 is a comprehensive work manual that all those in the civil engineering, surveying and construction business will find it hard to work without. It gives costs for both general and civil engineering works and highway works and shows a full breakdown of labour, plant and material elements. Thoroughly comprehensive and structured to comply with CESMM3, the book includes prices and rates covering everything from beany blocks to well pointing, from radio masts to coastal defence. In a time when it is essential to gain competitive advantage over the competition in an increasingly congested market, this book provides instant access to cost information and is a one stop reference containing tables, formulae, technical information and professional advice. Spon's Civil Engineering and Highway Works Price Book 2004 comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. This complete package now means that Spon's is now better than ever and is a resource that civil engineers, surveyors and the construction industry cannot do without.
