sport tourism destination development and sport tourism utilising sport to motivate travel to destinations and environmentally responsible behaviour in sports tourism destinations The unique contribution of this edited volume is the multi disciplinary approach applied to enhance conceptual understanding of issues surrounding sport tourism and destination sustainability The chapters originally published as a special issue in the Journal of Sport Tourism **The Linguistics of Football** Eva Lavric,2008 The Canadian Sport Tourism Alliance and Stakeholder Engagement Tom Hinch,2013-05-31 This case study is part of the Contemporary Cases Online series The series provides critical case studies that are original flexible challenging controversial and research informed driven by the needs of teaching and learning Heritage, Sport and Tourism Sean Gammon,Gregory Ramshaw,2013-09-13 Sport heritage is increasingly being recognised as a potent instigator of tourism be it touring a historic stadium visiting a sports hall of fame or participating in a sport fantasy camp tourists now have a vast array of locations and options to experience the sporting past This book provides the first comprehensive resource on sport heritage as a tourist attraction Using theoretical and applied studies from researchers in the United Kingdom the Netherlands Canada the United States Australia and New Zealand this book finds that the sporting past is a key component in tourism s future The convergence of heritage sport and tourism involves many different and diverse fields including sport tourism heritage tourism sport management and sports geography This book will serve the needs of students researchers industry practitioners in these fields as well as those interested in sport heritage as a tourist attraction This book was first published as a special issue of the Journal of Sport Tourism **Routledge Handbook of Sports Event Management** Milena Parent,Jean-Loup Chappelet,2017-07-14 From the Olympic Games to community level competitions sports events can be complex and pose a particular set of managerial challenges The Routledge Handbook of Sports Event Management surveys the management of sports events around the world of every size and scale from small to mega events including one off and recurring events and single sport and multi sport events The book adopts a unique stakeholder perspective structured around the groups and individuals who have an interest in and co create sports events including organising committees promoters sport organisations spectators community groups sponsors host governments the media and NGOs Each chapter addresses a specific stakeholder defines that stakeholder and its relationships with sports events describes the managerial requirements for a successful event assesses current research and directions for future research and outlines the normative dimensions of stakeholder engagement such as sustainability and legacy No other book takes such a broad view of sports event management surveying key theory current research best practice and moral and ethical considerations in one volume With contributions from leading sport and event scholars from around the world the Routledge Handbook of Sports Event Management is essential reading for any advanced student researcher or professional with an interest in sport management sport development sport policy or events Sport Tourism Heather J. Gibson,2013-09-13 The study of sport tourism is on the cusp of moving from a descriptive phase of research into an analytical

phase Consequently many academics and graduate students are searching for theories upon which to ground their work This book draws upon theories and concepts from sociology and anthropology the socio cultural perspective sport and tourism studies and business studies One of the dangers of a new area of study is that the body of knowledge is built on a range of seemingly unrelated studies By grounding work in a theoretical perspective future work can be linked to and contribute to building a cohesive understanding of various aspects of sport tourism This book is an edited collection written by some of the top scholars working in a particular domain throughout the world providing a compendium of theories and concepts that can be used to frame research on various aspects of sport tourism This volume was previously published as a special issue of the journal Sport in Society

International Sports Events Richard Shipway, Alan Fyall, 2013-05-07 This book offers new insight into International Sports Events ISEs examining the relationship between sport tourism and events It assesses sports events through the lens of both sports participants and spectators based on three primary themes impacts experiences and identities The first section of the book contributes to the future development of knowledge by analyzing the impact of sport events and their legacies from economic environmental social sporting political and cultural perspectives an understanding of the impacts and potential legacies of sports events is fundamental to their future development In the second section of the book the focus moves from impact and legacy issues towards exploring consumer behaviour and participant experiences at a diverse selection of International Sports Events The emphasis within this section is grounded within the tourism dimension of sports events Section three of the book highlights the dominant role of identity at a diverse selection of sports events and demonstrates how that identity is displayed whilst either watching or participating in sport and leisure The book provides an international analysis drawing on emerging empirical research conducted across a diverse range of sport and leisure activities and contrasting locations Linked to the three underlying themes of the book a future research agenda for International Sports Events is provided which is centred on four key pillars impact identity internationalization and interdisciplinary research This timely book will be of interest to students researchers and academics studying Event Management Sport Management and Sport Tourism
