Spouse Parent Worker On Gender And Multiple Roles:

Spouse, Parent, Worker, 1990 **Dual-career Marriage** Lisa R. Silberstein, 2014-01-14 Dual career marriage in which wife and husband each pursue a professional career offers a window into the changing landscape of gender roles and relations In the span of a single generation the family in which both parents work outside the home has gone from being the exception to being the rule This book examines the multi layered implications this impressive rapid change holds for the fabric of family and marital life and for the course of men s and women s work lives Intensive interviews with dual career wives and husbands provide rich information about four major issues In what ways and for whom do dual career marriages replicate the traditional gender arrangements of one career marriages and in what ways do dual career marriages represent a revolution in gender roles How do the two careers of spouses develop side by side and in what ways do dual career spouses help or hinder each other s careers How do work and family combine in dual career marriages How are relationships between spouses and between parents and children affected by dual careers This book presents a subtle textured portrait of contemporary dual career marriage examining the complicated interplay of expectations behaviors and emotions within and between dual career spouses The author observes that the centrality of family or work to each spouse s sense of self powerfully affects how the couple negotiates the challenges posed by dual career marriage including feelings of competition between spouses questions of geographic moves and division of domestic tasks The study illuminates many issues of clinical relevance such as the common hazard of dual career spouses having little time for marital intimacy once the rigorous demands of careers and children are met and the complicated intrapersonal as well as interpersonal tensions generated by gender roles in transition **Annual Progress in Child Psychiatry and Child Development, 1990** Stella Chess, Margaret E. Hertzog, 1990-12 Entitlement and the Affectional Bond Melvin J. Lerner, Gerold Mikula, 2013-06-29 If the truth were told this volume and its direct antecedents must rank among the most ambitious if not simply pretentious endeavors imaginable at least in the social sciences The titles of the volume and the chapters promising to integrate the experiences of the sense of justice and the affectional bonding of people in close relations seem straightforward and reasonable enough What they fail to convey however is the simple bald fact that we in the human social sciences have no firm grasp on either of these two fundamental experiences what we sometimes call love and justice To begin with even as scientists committed to understanding based upon systematic propositions linking publicly observable concepts we have no clear consensus concerning the nature of the affectional bonds linking people in close relationships love intimacy caring mutual responsiveness or the sense of justice fairness deserving and in our efforts to understand entitlement And we are continually handicapped stand these complex moving experiences by the persistent tendency to reduce them to manifestations of nothing but familiar psychological or even biological processes secondary rewards selfish genes So why then this volume Although there are many answers to the question probably the most germane is that the basic issues are so important and intriguing that the recent past has seen

rather dramatic parallel growth in social scientists interest in these two areas justice and close relationships *Unbending Gender* Joan Williams,2001-09-13 Williams writes about domesticity the social system that divides market work and family work along gender lines She asserts that women are marginalized by their caregiving roles and this in turn impacts children men and society She suggests a new norm for the ideal worker based on family values **Women and Men in**

Organizations Jeanette N. Cleveland,Margaret Stockdale,Kevin R. Murphy,Barbara A. Gutek,2000 Research addressing sex and gender in work will be of interest to psychologists sociologists managers and economics This book brings together the traditional management perspectives with the recent feminist perspective *The Sociology of Gender* Amy S.

Wharton,2009-02-04 Gender is one of the most important topics in the field of sociology and as a system of social practices it inspires a multitude of theoretical approaches The Sociology of Gender offers an introductory overview of gender theory and research offering a unique and compelling approach Treats gender as a multilevel system operating at the individual interactional and institutional levels Stresses conceptual and theoretical issues in the sociology of gender Offers an accessible yet intellectually sophisticated approach to current gender theory and research Includes pedagogical features designed to encourage critical thinking and debate Closer Look readings at the end of each chapter give a unique perspective on chapter topics by presenting relevant articles by leading scholars Feminine Role in Global Society Man Singh Das,Vijay Kumar

Gupta,1995 The edited volume *Feminine Role in Global Society* discusses the role of women in various aspects that is the role of mother wage earner as well as the role of women in crime The book deals with the attitude of women toward various important social issues like dowry one parent family etc It also examines the mothers contribution in development of their children Families and Work Karen I. Fredriksen-Goldsen,Andrew E. Scharlach,2001 This book is intended for use in

upper level undergraduate and graduate courses in social work with the family social work with the elderly and social work with children **Careers of Couples in Contemporary Society : From Male Breadwinner to Dual-Earner Families**

Hans-Peter Blossfeld,Sonja Drobnic,2001-10-04 This is the first systematic international comparative study of the transformation of couples careers in modern societies The countries included are Germany the Netherlands the Flemish part of Belgium Italy Spain Great Britain the United States Sweden Denmark Poland Hungary and China Using longitudinal data this book explores what has and what has not changed for couples in various countries due to women's greater involvement in paid employment It provides evidence that despite substantial improvement in women's educational attainment and career opportunities in all the countries studied dimensions of role specialization in dual earner couples have not undergone transformation to the same extent Gender role change within the family has generally been asymmetric so that housework and childcare primarily remain women's work There are however also significant institutional differences among modern societies which determine a country's timing speed and pattern of change from the traditional male breadwinner to the dual earner family model In particular the impact of males resources on their female partners employment careers is dependent

on the welfare state regime In conservative and Mediterranean welfare state regimes women s paid employment is negatively correlated with the occupational position of their husbands In liberal welfare state regimes no impact of husbands resources on their wives labour force participation could be detected In the social democratic welfare state regime and generally in former socialist countries husbands resources have a positive effect on their wives employment so that occupational resources cumulate in dual earner families

Spouse Parent Worker On Gender And Multiple Roles Introduction

In today's digital age, the availability of Spouse Parent Worker On Gender And Multiple Roles books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spouse Parent Worker On Gender And Multiple Roles books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spouse Parent Worker On Gender And Multiple Roles books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spouse Parent Worker On Gender And Multiple Roles versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spouse Parent Worker On Gender And Multiple Roles books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spouse Parent Worker On Gender And Multiple Roles books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spouse Parent Worker On Gender And Multiple Roles books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spouse Parent Worker On Gender And Multiple Roles books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spouse Parent Worker On Gender And Multiple Roles books and manuals for download and embark on your journey of knowledge?
