Spqr V Saturnalia:

SPQR V: Saturnalia John Maddox Roberts, 2025-10-16 This eagerly awaited fifth book in John Maddox Roberts's Edgar nominated historical mystery series once again takes the reader back to the Rome of Julius Caesar and the Roman Senator Decius Caecilius Metellus the Younger. Decius has won himself a reputation as both an investigator and most unfortunately a bit of a playboy. Having been banished by his family for sometimes embarrassing activities to a rather leisurely lifestyle on Rhodes, he is puzzled to be suddenly and unexpectedly summoned home to assist in an investigation. Quintus Caecilius Metellus Celer, a relative of Decius and his family and the head of a powerful political clan, has been poisoned, and his infamous wife Clodia is immediately suspected of disposing of her rather inconvenient husband. Not entirely convinced of Clodia's guilt, Decius delves into the intricacies of Rome's ruling class and discovers that a clandestine forbidden witches' cult is inextricably intertwined with some very highborn people. A trial for Clodia would be most unwelcome as it could bring to light some well-kept secrets. To get to the bottom of the corruption that accompanies the intoxicating allure of this ancient city, Decius must form an uneasy alliance with Clodius, Clodia's brother and his sworn enemy, and be extremely careful not to step on any toes.

SPQR I: The King's Gambit John Maddox Roberts, 2025-10-16 Blackmail, corruption, treachery, murder, the glory that was Rome. In this Edgar Award nominated mystery, John Maddox Roberts takes readers back to a Rome filled with violence and evil. Vicious gangs ruled the streets of Crassus and Pompey, routinely preying on plebeian and patrician alike, so the garroting of a lowly ex-slave and the disembowelment of a foreign merchant in the dangerous Subura district seemed of little consequence to the Roman hierarchy. But Decius Caecilius Metellus the Younger, highborn commander of the local vigiles, was determined to investigate. Despite official apathy, brazen bribes, and sinister threats, Decius uncovers a world of corruption at the highest levels of his government that threatens to destroy him and the government he serves.

SPQR IV: The Temple of the Muses John Maddox Roberts, 2025-10-16 When Roman junior senator Decius Caecilius Metellus the Younger has a chance to join a diplomatic mission to Alexandria, he welcomes the opportunity to temporarily elude his enemies in the Eternal City, even though it means leaving his beloved Rome. Decius is just beginning to enjoy the outpost's many exotic pleasures when the suspicious death of an irascible philosopher occurs, coinciding with the puzzling and apocalyptic ravings of a charismatic cult leader. Intrigued, Decius requests and is given permission by the Egyptian Pharaoh to investigate the heinous crime. What he discovers is beyond shocking. And when the corpse of a famous courtesan mysteriously turns up in his bed, Decius suddenly finds himself entangled in a web of conspiracy far more widespread and dangerous than he ever imagined one that threatens to bring about the downfall of the entire Empire.

SPQR X: A Point of Law John Maddox Roberts, 2025-10-16 Being under suspicion of murder did not hamper my freedom. This is because Romans are civilized people and don't clap suspects into prison like barbarians do. It would take an order of a lawfully convened court even to place me under house arrest. That's Decius Caecilius Metellus speaking. Senator Decius Caecilius

Metellus please He is at an outdoor rally in Rome where he is campaigning for election to the praetorship It looks like a shoe in until a man named Fulvius of whom Decius has never heard arrives at the preelection proceedings with a small army of hoodlums and begins to shout to the assembled voters that Decius is a thief and worse While this is not an unknown effort used to ruin a candidate's chances it is enough to have Decius's father call a meeting of family and friends a meeting that ends with the participants going home determined to find some answers to stop Fulvius's efforts to ruin Decius's chances Early the next morning however as Decius and his friends are on their way to the trial Fulvius's body is found slashed to death on the steps of the basilica where the court will be sitting And that doesn't look good for our hero For those readers who have met Decius before the next step is clear the man is a brilliant detective and he is certainly now in a position where that skill is needed So it's doubly important for Decius with the help of his wife Julia and the ex slave Hermes to find the solution to the most personal and possibly most difficult puzzle that has come his way

SPQR XII: Oracle of the Dead John Maddox Roberts, 2025-10-16 Decius Caecilius Metellus this year's magistrate for cases involving foreigners is living the good life in southern Italy happy to be away from Rome a city suffering war jitters over Caesar's impending actions He thinks he is merely visiting one of the local sights when he takes a party to visit the Oracle of the Dead a pre Roman cult site located at the end of a tunnel dug beneath a temple of Apollo He quickly learns that there is a bitter rivalry between the priests of Apollo and those of Hecate who guard the oracle When the priests of Apollo are all killed the countryside looks to explode in violence as Greeks Romans and native Italians of several conquered nations bring out old enmities Decius is caught squarely in the middle desperate to find a way out that will pacify the district and incidentally save his own skin This riveting series began with the Edgar Award nominated *SPQR* and has gone on to international success in 13 languages

SPQR II: The Catiline Conspiracy John Maddox Roberts, 2025-08-22 It was a summer of glorious triumph for the mighty Roman Republic Her invincible legions had brought all foreign enemies to their knees But in Rome there was no peace The streets were flooded with the blood of murdered citizens and there were rumors of more atrocities to come Decius Caecilius Metellus the Younger was convinced a conspiracy existed to overthrow the government a sinister cabal that could only be destroyed from within But admission into the traitorous society of evil carried a grim price the life of Decius's closest friend and maybe his own

SPQR XI: Under Vesuvius John Maddox Roberts, 2025-09-23 In *SPQR XI Under Vesuvius* things are going well for Decius Caecilius Metellus He is Praetor Peregrinus which means he has to judge a case or two but those cases are outside of the City His cases will be those dealing with foreigners and all of Italy is his province His first stop is Campania Italy's most popular resort district Decius and his wife Julia are happy for a change of scenery But the good times end when in a town near Vesuvius a priest's daughter is murdered Decius must find her killer and keep the mob off a young boy who everyone blames but he believes to be innocent Decius may have acquired more prestige but he's also acquired more trouble With his *SPQR* novels John Maddox Roberts has written a satisfying and entertaining historical mystery series The stakes just keep

getting higher in this latest atmospheric puzzle *SPQR VII: The Tribune's Curse* John Maddox Roberts, 2025-10-16 Decius Caecilius Metellus is happy The weather is beautiful and he is standing for office literally standing in the Roman Forum soliciting votes with a sure chance of winning And Caesar's ongoing dreary war is far off in Gaul Decius is confident that another war looming over Rome instigated by one Crassus against the Parthians for no reason but possible worldly gain will be voted down in the Senate But the vote does not stop Crassus On the day he and his troops set out from Rome the Tribune Ateius Capitus leader of the opposition shrieks an ancient and terrible curse over the huge crowd assembled a curse that frightens not only the man in the street but the highest Romans When Ateius is murdered soon after Decius solver of past mysteries has the ugly task of finding the killer Fascinating details of Rome's mixed attitudes about the power of magic and the practice of rational politics illuminate this latest of Roberts's strong historical mysteries *SPQR V. Сатурналии* Джон Робертс, 2017-12-19 *SPQR VIII: The River God's Vengeance* John Maddox Roberts, 2025-10-16 Ancient Rome in this accurate and evocative series is just as politics driven as any major American city possibly even more Decius Caecilius Metellus has through a series of rather wild adventure and in the act of tracking down killers and other reprobates barely escaped annihilation several times Now newly elected to the office of aedile the lowest rung on the ladder of Roman authority he must smoke out corruption and conspiracy that threaten to destroy all of Rome
