Springfield Oh:

Springfield, Ohio: a Summary of Two Centuries Tom Dunham,2012-08-27 This survey highlights Springfields beginnings as an industrial oriented settlement growing into a city with an increasingly diversified industrial base well into the 20th century Discussed in this connection is the role of railroads as a necessary condition to industrial success As industry grew commercialism expanded and became centralized in the downtown The text traces the citys viable and lively downtown from the mid 19th century to the mid 20th century The background for the decline following World War II is covered as well as the downtowns changing role in the modern era Not all however is industry and commerce The citys wealth and the wealth of individual citizens led to the construction of many fine buildings of architectural merit as venues for cultural entertainment and religious functions Many of these structures are treated in relation to their cultural functions Not the least of the topics discussed is Springfields saga with infrastructure problems and their eventual correction FCC Record United States.
