Spurs On The Boot Italy Under Her Masters:

Spurs on the boot Thomas Bruce Morgan,1942 **Mussolini and the Eclipse of Italian Fascism** R. J. B.

Bosworth,2021-04-27 An incisive account of how Mussolini pioneered populism in reaction to Hitler's rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler's entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts Mussolini's leadership in reaction to Hitler Bosworth shows how Italy's decline in ideological pre-eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians Mussolini Richard J. B. Bosworth,2014-03-04 In 1945 disguised in German greatcoat and helmet Mussolini attempted to escape from the advancing Allied armies Unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by Fascist propaganda gave him away Within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people He was one of the tyrant killers who so scarred interwar Europe but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin Like them his life began modestly in the provinces unlike them he maintained a traditional male family life including both wife and mistresses and sought in his way to be an intellectual He was cruel though not the cruellest his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS He sought an empire but in the most part his was of the old-fashioned costly nineteenth-century variety not a racial or ideological imperium And self-evidently Italian society was not German or Russian the particular patterns of that society shaped his dictatorship Bosworth's Mussolini allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated With extraordinary skill and vividness drawing on a huge range of sources this biography paints a picture of brutality and failure yet one tempered with an understanding of Mussolini as a human being not so different from many of his contemporaries

Claretta R. J. B. Bosworth,2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy's fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple's bodies were then hanged upside down in Milan's main square in ignominious public display This provocative book is the first to mine Clara's extensive diaries family correspondence and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she

came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta's family her naïve and self interested commitment to fascism her diary's graphically detailed accounts of sexual life with Mussolini and much more Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself **My Fault** Margherita Sarfatti, 2013-10-18

Mussolini's Jewish mistress confesses How she educated a rough uncultured man to become a politician and consolidated the fascist regime **Governments of the Major Foreign Powers** Military Academy, West Point, 1945 **Il Duce's Other Woman** Philip V. Cannistraro, Brian R. Sullivan, 2025-03-31

A well informed account of the woman behind Mussolini's rise to power Margherita Sarfatti an art critic and daughter of an influential Venetian Jewish family became known as his inspiratrice directing his reading Proudhon and Machiavelli among others bolstering his belief in his greatness and helping him to mold his vision of a new Roman Empire Though an ardent socialist Sarfatti supported Italian involvement in WWI an action that got her expelled from the Socialist Party After the war she and Mussolini worked together to forge the Fascist Party from two unlikely allies the nationalists and socialists and watched their creation grow to power nourished by conditions of mass unemployment street fighting and demagoguery given credibility by electoral success Sarfatti the authors contend had a far more flexible and inventive political imagination than Mussolini and she was a central figure during these formative years yet her affair with the dictator and her influence waned during the early 30s In 1938 in the face of Il Duce's growing anti-Semitism Sarfatti fled to Argentina with two suitcases full of jewels and modern art treasures that she later parlayed into a position as one of the most important art collectors of the mid century She died in Italy in 1961 hers is a remarkable sometimes tragic tale Kirkus A carefully researched highly detailed and interesting history of fascist Italy Its authors both with academic affiliations have avoided the pitfalls of academese to produce an account that will be enjoyable to the general reader Barbara Walden Library Journal A person of exceptional erudition and culture Margherita Sarfatti 1880-1961 was the Italian dictator's lover political adviser and intellectual mentor the authors show in their enlightening study In their excellent biography of this difficult dynamic memorable woman Cannistraro and Sullivan present aspects of her lover's career not previously explored in detail Mussolini's experiences as a soldier in WW I his editorship of the socialist paper Avanti and his active interest in creating a favorable international image of Fascist Italy Publishers Weekly Philip Cannistraro and Brian Sullivan have drawn on an extraordinary range of private papers and archives in order to write her biography Besides the main plot of Sarfatti's long involvement with Mussolini their work contains a number of fascinating sub plots Their biography is important for the history of Italian Jews socialism feminism the relationship between art and politics Fascist propaganda and the image of Mussolini's regime in the United States it is hard not to be impressed by her energy her boundless appetite for new knowledge and new experience and her resilience in adversity a fascinating biography of a remarkable woman Adrian Lyttelton The New York Review of Books This long detailed and deeply researched book becomes

less of a biography than an account of the development of Mussolini's ideas but with a new and original slant never before explored Margherita Sarfatti was a victim of her own making corrupted by sexual obsession and a drive for power Raleigh Trevelyan The New York Times Calculations Allan R. Millett, 2007-09-12 Eight scholars Alan R Millett Paul Kennedy Earl F Ziemke Alvin D Coox Williamson Murray Brian Sullivan Steven Ross and Calvin L Christman examine the methods used by the major powers of World War II to evaluate their own and their enemies military capacity The Complete Italian Master Veneroni (sieur de), 1763 **The Complete Italian Master: Containing the Best and Easiest Rules for Attaining that Language** Veneroni (sieur de), 1840
