Wikipedia [Vatican Spies](#) Yvonnick Denoel, 2024-12-05 A revelatory history of the priests nuncios and missionaries whose special operations have served the Holy See and its 1.3 billion Catholics worldwide.

The Independent State of Croatia 1941-45 Sabrina P. Ramet, 2020-07-24 This special issue provides important new scholarship from a variety of perspectives on the structure, ideology and political history of the central fascist group in interwar and Second World War Yugoslavia: the Croatian Ustasha. It is the first volume in English to closely explore the Ustasha's Independent State of Croatia between 1941 and 1945, a period when it was an active collaborator with Nazi Germany and Fascist Italy and largely responsible for Yugoslavia suffering the highest proportion of national casualties in the Second World War. By using the top scholars in the field to explore the nature of the NDH, *The Independent State of Croatia 1941 45* contributes to scholarly understandings of Croatian nationalism, Balkan politics, European fascism and genocide in the Second World War.

[Spy in the Vatican, 1941-1945](#) Branko Bokin, 1973 **The Entity** Eric Frattini, 2024-07-02 International Bestseller. Meticulously documented, Frattini gives us an exclusive look at the hidden face of the papacy: revelations that send a chill up the spine. *Le Monde*: For five centuries the Vatican, the oldest organization in the world, maker of kings and shaper of history, has used a secret spy service called the Holy Alliance or later the Entity to carry out its will. Forty popes have relied on it to carry out their policies. They have played a hitherto invisible role confronting de Christianizations and schisms, revolutions and dictators, colonizations and expulsions, persecutions and attacks, civil wars and world wars, assassinations and kidnappings. For the first time in English, following the bestselling Spanish and French editions, Eric Frattini tells the comprehensive tale of this sacred secret service. The Entity has been involved in the killings of monarchs, poisonings of diplomats, financing of South American dictators, protection of war criminals, laundering of Mafia money, manipulation of financial markets, provocation of bank failures and financing of arms sales to combatants, even as their wars were condemned all in the name of God. The contradiction between God's justice and Earth's justice, Christian beliefs and Christian power, all fall before the motto of the Entity: With the Cross and the Sword. A true story that surpasses any novel by John le Carré. *El País* Spain: An investigation worthy of a Pulitzer. Frattini puts all the secrets of the Vatican out on the table. *Diário de Notícias* Portugal: A devastating book. *Valeurs* France: A must read. *El Universal* Mexico: *God's Bankers* Gerald Posner, 2015-09-15 From a master chronicler of legal and financial misconduct, a magnificent investigation. Nine years in the making, this book traces the political intrigue and inner workings of the Catholic Church. Decidedly not about faith, belief in God or religious doctrine, this book is about the church's accumulation of wealth and its byzantine entanglements with

financial markets across the world Told through 200 years of prelates bishops cardinals and the Popes who oversee it all Gerald Posner uncovers an eyebrow raising account of money and power in perhaps the most influential organization in the history of the world God s Bankershas it all a rare expos and an astounding saga marked by poisoned business titans murdered prosecutors mysterious deaths of private investigators and questionable suicides a carnival of characters from Popes and cardinals financiers and mobsters kings and prime ministers and a set of moral and political circumstances that clarify not only the church s aims and ambitions but reflect the larger dilemmas of the world s more recent history And Posner even looks to the future to surmise if Pope Frances can succeed where all his predecessors failed to overcome the resistance to change in the Vatican s Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire Part thriller part financial tell all this book shows with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power **Ireland and the Vatican** Dermot

Keogh,1995 A comprehensive examination of the complex triangular relationship between the Irish government the bishops and the Holy See from the origins of the Irish State in 1922 to the end of the de Valera government *The Chief Rabbi, the Pope, and the Holocaust* Robert G. Weisbord,Wallace P. Sillanpoa,2011-12-31 In February 1945 Israele Zolli chief rabbi of Rome s ancient Jewish community shocked his co religionists in Italy and throughout the Jewish world by converting to Catholicism and taking as his baptismal name Eugenio to honor Pope Pius XII Eugenio Pacelli for what Zolli saw as his great humanitarianism toward the Jews during the Holocaust Almost a half a century after his conversion Zolli still evokes anger and embarrassment in Italy s Jewish community This book is the first authoritative treatment of this astonishing story What induced Zolli to embrace Catholicism will probably never be known Nonetheless by painstaking scholarly detective work through interviews in Italy and elsewhere through the unearthing of private papers not previous known to exist and through the study of previous inaccessible archival materials the authors have succeeded in explaining why Zolli left the Jewish fold and joined the Catholic Church Like Zolli s rabbinical career Pius XII s long pontificate tells us much about the Church of Rome and its relationship to the Jewish people particularly with reference to the issue of conversion The authors focus on the pontiff s World War II policies vis vis the Jews a subject that has been heatedly debated since Rolf Hochhuth s *The Deputy* was performed in the early 1960s What Pacelli knew about the extermination of the Jews and when he knew it what he said and failed to say are given special attention in this book Through the examination of previous scholarship and primary materials including Pius XI s encyclical on race and anti Semitism Pacelli s behavior is evaluated to determine if Zolli accurately gauged the Holy Father s efforts to save Jews This saga of the two Eugenios will interest historians of the Second World War and the Holocaust and students of history alike **The Pius War** Joseph Bottum,David G. Dalin,2004-11-09 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII_leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War_the task of defending the Pope has fallen primarily to

reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals_ making it nearly impossible for the average reader to gauge the results In The Pius War Weekly Standard s Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII The Pius War and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students_ destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II **Rome - City in Terror** Victor

Failmezger,2020-09-17 Victor Failmezger s passion for the city of Rome is matched by his extensive knowledge of its dark recent past Joshua Levine author of Dunkirk The History Behind the Major Motion Picture In September 1943 following wave upon wave of Allied bombing Italy announced an armistice with the Allies Shortly afterwards the German army disarmed Italian forces and despite military and partisan resistance quickly overran Rome Rome City in Terror is a comprehensive history of the nine month long German occupation of the city that followed The Gestapo wasted no time enforcing an iron grip on the city once the occupation was in place They swiftly eliminated the Carabinieri the Italian paramilitary force rounded up thousands of Italians to build extensive defensive lines across Italy and at 5am one morning arrested more than 1 000 Roman Jews and sent them to Auschwitz Resistance however remained strong To aid the thousands of Allied POWs who escaped after the dissolution of the Italian army priests diplomats and escaped ex POWs operating out of the Vatican formed a nationwide organization called the Escape Line More than 4 000 Allied POWs scattered all over Italy were sheltered clothed and fed by these courageous Italians whose lives were forfeit if their activities were discovered Meanwhile as food became scarce and the Gestapo began to raid on homes and institutions Italian partisan fighters launched attack after attack on German military units in the city with the threat of execution never far away This is the compelling story of an Eternal City brought low of the terror and hardship of occupation and of the disparate army of partisan fighters displaced aristocrats Vatican priests Allied POWs and ordinary citizens who battled for the liberation of Rome
