Spymasters Of Israel:

The Spy Masters of Israel Stewart Steven, 1982-01-01 **Spymasters of Israel** Stewart Steven, 1988-08-01 **Israel Undercover** Steve Posner, 1987-11-01

Israel Undercover focuses on the execution of paramilitary counterterrorist operations against Palestinian guerrillas and the behind the scenes negotiations carried out among Arab statesmen Israeli leaders and American officials Intelligence agencies like the CIA and the KGB are often viewed as tools for carrying out dirty tricks covert operations that lead to government coups illegal bombings political killings and Iranscam In the Middle East undercover operatives are frequently called upon to serve a dual purpose to wage clandestine warfare behind enemy lines and to help public officials carry out secret diplomatic moves that would be impossible if carried out under the glare of the world press This book successfully portrays the cold objectivity that governs the life and death foreign policy of a country like Israel the need to view friend and foe alike with resolute realism The book is divided into four sections 1 Inside Beirut describes Israel's use of its intelligence network in Lebanon during the 1970s to conduct military reprisals and its impact on the Israeli Egyptian peace process 2 Across the River Jordan examines the decades old secret relationship between Israeli leaders and Jordan's King Hussein 3 American Dreams reveals the quiet alliance between the Christian Phalangist militia and Washington's back door channel to the PLO and 4 The Mysterious Middle East provides a glimpse of the region's special mix of conspiracy and animosity In order to provide a historical setting and a political context for the events described in the book material is included from widely published sources integrated with information gathered from private informants some of whom have chosen to remain anonymous

Israel's Wars Ahron Bregman, 2016-01-22 Israel's Wars is a fascinating and essential insight into the turbulent history of this troubled country which since its foundation has endured almost constant violence Bringing its coverage up to date with recent conflicts this fourth edition includes a new chapter on the Gaza wars from 2007-2014 a new preface and an updated concluding chapter From the 1947-8 Jewish Palestinian struggle for mastery of the land of Palestine to the Al Aqsa intifada the second Lebanon war and the Gaza wars Bregman exposes hitherto unknown facts including details of secret Soviet involvement in inciting the 1967 Six Day War Israeli bombing of the American warship the USS Liberty and Israeli assassinations of leading Palestinians in the Gaza Strip and the West Bank Illustrated throughout with maps and photographs this new edition is valuable reading for students of Arab Israeli conflicts over the last seventy years

Nasser and the Missile Age in the Middle East Owen L. Sirrs, 2007-01-24 Egyptian efforts to acquire long range surface to surface missiles in the early 1960s carry important lessons for our time when weapons of mass destruction and charges of politicizing intelligence are key issues This new study traces the history of the early Egyptian ballistic missile program which began with the successful recruitment of German scientists who had experience in Hitler's V1 and V2 missile projects Yet even as these Germans began their work on developing missiles for Egyptian President Gamal Abdel Nasser Israeli intelligence was busy collecting information on their activities sparking a crisis in the Israeli leadership

as top Israeli officials anxiously debated strategies to grapple with this new threat to their national security Ultimately they adopted a multifaceted approach that included intimidation of the scientists and their families appeals to the West German government to order the scientists recall and an attempt to involve the US government in the intricacies of the Arab Israeli conflict Drawing extensively on material from recently declassified US government documents this new major work demonstrates how Nasser s missile program played an instrumental role in cementing the US Israeli national security relationship The book concludes with several key lessons that can help stem the global proliferation of advanced weapons This book will be of great interest to scholars of proliferation international relations the Middle East disarmament and security studies in general

Israeli Secret Services Frank Clements, 2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is probably the best known of the world s intelligence services one of the most suspected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on f Mossad from its pre official origins in Europe during the Second World War to e present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel s history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath

Israel's Secret Wars Ian Black, Benny Morris, 1991 This title surveys Israeli intelligence operations from the 1930s to the Ostrovsky affair and describes relations with the American intelligence community

The Rise of Israel Jonathan Adelman, 2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building In particular it seeks to show how unlikely Israel s creation was and that it should best be understood as a series of revolutions

Israel's Wars , 1990

Every Spy A Prince: The Complete

History of Israel's Intelligence Community Dan Raviv, Yossi Melman, 2024-01-15 On the New York Times Best Seller list for 12 weeks August 12 October 28 1990 This is a comprehensive history of Israel s security establishment The authors celebrate successes like Eichmann s capture but far more interestingly they do not shy away from examining the security services failures the book is riveting because Israel s early intelligence feats still resonate in today s world the book makes valuable reading for anyone interested in Israel s world wide plans to deal with matters affecting its security Wall Street Journal The authors obviously found enough talkative sources to provide them with the remarkable case histories they

describe here Even though some of the Israeli operatives sound boastful the book is not propaganda or disinformation While it is filled with many examples of how Mossad pulled off major coups the authors are at pains to point out that the Israelis sometimes goofed The authors flesh out stories that once made headlines with fresh material Not all the Israeli intelligence triumphs involved violence The Israelis managed to outrun the C I A and all of Western Europe s spy agencies in getting their hands on a copy of Nikita S Khrushchev s secret speech in 1956 to a special Communist Party Congress in Moscow that exposed the horrors of the Stalin era The story of the 1960 capture in Buenos Aires of Adolf Eichmann the Nazi war criminal by Mossad and Shin Bet Israel s internal security agency is lovingly re created A high point of Israeli intelligence came in 1967 during the Six Day War when foreknowledge of enemy positions and abilities paved the way for a rapid victory The astonishing rescue in 1976 by army commandos of hijacked passengers from Entebbe airport in distant Uganda gained added respect for Israel in the Western world Against the triumphs the authors balance these failures Mossad s misjudgments in Lebanon Shin Bet s killings of Arab terrorists in captivity and the involvement of Israel in the disarray of Irangate In addition double agents were used in Britain and caught there an American Jonathan Pollard was encouraged to spy and sell military secrets to Israel and faulty intelligence resulted in misleading the Government over the future of the occupied territories just as a Palestinian uprising was beginning a highly revealing book New York Times Everything you wanted to know about Israel s spies and secret services but were afraid to discover This comprehensive history and analysis of the Israeli intelligence community offers many original insights into the secret psyche of the Jewish State The book presents new information on some of Israel s greatest intelligence coups and failures Kirkus Basing their work on interviews with former operatives and on declassified documents CBS news correspondent Raviv and Israeli journalist Melman here produced a revealing critical history of the rise and decline of Israel s vaunted security and intelligence arm Publishers Weekly A detailed history of Israel s intelligence agencies Washington Post Every Spy a Prince is by far the best book ever published on Israel s intelligence community filled with new and fascinating information skillfully and intelligently written and above all bold and judicious in its assessments of the triumphs and failures of one of the most remarkable espionage organizations in the world San Francisco Chronicle A highly readable well organized portrait of the main Israeli intelligence services Every Spy a Prince is a valuable balanced addition to the mushrooming literature about the world s second oldest profession Newsday

Eventually, you will definitely discover a further experience and expertise by spending more cash. still when? realize you take on that you require to acquire those all needs considering having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more approximately the globe, experience, some places, with history, amusement, and a lot more?

It is your agreed own time to conduct yourself reviewing habit. accompanied by guides you could enjoy now is **Spymasters Of Israel** below.
