Spys Kiss:

The Spy's Kiss Nita Abrams, 2013-10-15 Serena Allen has taken refuge at her uncle's country house ever since a scandalous seduction left her reputation in tatters. But her aunt has never given up hope of making a match for her and is delighted when the handsome aristocratic Julien Clermont arrives at Boulton Park expressing an interest in the earl's famous butterfly collection and interest of a different kind in Serena. Serena herself views the guest with misgivings. Can a man be too charming? And can it be coincidence that important foreign documents entrusted to the earl have begun to disappear and reappear in odd places? Julien is indeed on a top secret and personal mission, one that prevents him from disclosing his real identity to Serena. But the truth will out, and with it comes a devilish choice: betray the lovely, quick-witted woman who has won his heart or risk forfeiting his own life.

To Kiss A Spy Jane Feather, 2003-01-01 New York Times bestselling author Jane Feather has won legions of fans and critical accolades for her sweeping romances portraying a unique blend of sizzling seduction and dangerous intrigue. In this first of two romances featuring two unconventional sisters whose quest to solve the mystery surrounding their lives puts each of them in the path of a dangerously irresistible hero, Jane Feather tells the story of a daring young widow and a master spy engaged in a duel of wits and seduction to uncover a dark secret. To Kiss a Spy Lady Pen Bryantson had been caught red-handed looking for clues among her mother-in-law's papers. But the mystery she sought to uncover only deepened with the sudden appearance of a man whose mere presence sent shivers of excitement coursing through her. What could this dangerously seductive man, who moved with a courtier's charm and brandished an assassin's skill, want with someone as ordinary as she was? But to Owen D'Arcy, the bewitching young woman he'd been assigned to ensnare, was anything but ordinary. With a single kiss, the sophisticated spy found that he'd been unexpectedly disarmed. Determined to seduce her on his own terms, Owen offered Pen a devil's bargain: she had no choice but to accept. Now they would both go undercover, only to find themselves drawn into a world of deception and double cross where anyone could be the deadliest of enemies, and their own uncontrolled passion the most dangerous threat of all.

Fearless. It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump: **The Princess Spy** Melanie
