Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context. The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God **Interpreter: A Journal of Latter-day** Saint Faith and Scholarship, Volume 35 (2020) Brant A. introductory preface by Mrs. H. B. Stowe ... Illustrations Mrs. Fanny STENHOUSE,1874 Rebuilding a Lazy Testimony Taft Givens, 2019-06-03 Having a loved one turn his back on the faith we embraced through our formative years forced me to honestly reflect on things I had never dared to question before My journey through my thoughts and with my brother would take me into places I did not expect to go places that were simultaneously painful as well as uplifting I would find myself covered in dirt from everything anti Mormonism has had to throw at me but I would also find myself shielded and renewed by gaining a deeper understanding of the beautiful truths surrounding The Church of Jesus Christ of Latter day Saints I can now see why people fall away from being faithful members of the church There are a variety of reasons all of which I now have a much better understanding I say I have a better understanding but that does not mean I agree I do not It is also easy to see why many relationships do not survive the changes that so often come when a loved one leaves the faith This not a fun story This book is not like the fiction I write where the plot gets thicker as it goes but everyone ends up peachy in the end Most of this book is the story of two inseparable brothers who go through something so difficult we have to rebuild our relationship from the ground up and unfortunately that relationship is never quite the same This book is also a personal journey of discovering for myself what it means to have an intimate relationship with my Father in Heaven And for large portions of this book I abandon the storyline altogether in order to answer questions I have posed for myself and sort out my jumble of thoughts Does God even exist What is religion Is religion actually important if I consider my spiritual journey to be something personal What are the aspects of my own religion that I find indispensable and beautiful My prayer is that some people will take this story to heart in a way that they can gain for themselves some of the lessons I have learned as they take part in my journey My hope is that some people can learn from what I have experienced in order to avoid some of the same mistakes I made and sidestep the need to walk the same route My desire is that someone might read my story and discover a reason to stay in the faith despite the fact that they do not have all the answers Unveiling Grace Lynn K. Wilder, 2013-08-20 A gripping story of how an entire family deeply enmeshed in Mormonism for thirty years found their way out and found faith in Jesus Christ For thirty years Lynn Wilder once a tenured faculty member at Brigham Young University and her family lived in loved and promoted the Mormon Church Then their son Micah serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah's conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God's grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story Unveiling Grace will Mother Stories From the Book of Mormon William A strengthen your faith in the true God who loves you no matter what
