**Connecticut Beer** Will Siss, 2015-04-27 The history of the frothy beverage in Connecticut dates back to early colonists who used it to quench their thirst in the absence of clean drinking water So integral was beer to daily life in the colony that government officials and militiamen congregated in taverns like the General Wolfe to talk laws and business over pints of ale Over the next two centuries the number of breweries rose and then declined especially after Prohibition It was not until the 1980s that homebrewers brought this vital Nutmeg State tradition back to life hatching the likes of New England and Cottrell Brewing Companies as well as brewpubs including City Steam and Southport Brewing More recently small operations with one or two people such as Relic and Beer d are changing the landscape again Connecticut beer writer Will Siss introduces readers to the hardworking people who keep the breweries and beer bars inviting and the hoppy history alive

**Recovering Redemption** Matt Chandler, Michael Snetzer, 2014-05-01 You can't God can Life never lacks for improvement in ourselves in our relationships in just about everything But all our brave stabs at getting better if they ever change anything are incomplete at best complete failures at worst Sometimes much worse Unless The gospel of Jesus Christ is the great unless of life both for those who already believe but can't believe the messes they're still capable of making as well as those who don't yet believe but just know their way isn't working *Recovering Redemption* written with a pastor's bold intensity and a counselor's discerning insight takes you deeply into Scripture to take you deeply inside yourself discovering that the heart of all our problems is truly the problem of our hearts But because of what God has done and because of what God can do the most confident contented person you know could actually be you redeemed through Jesus Christ None of us really can do what's required to change our lives for the better taking what's persistently frustrating and making it perfectly satisfying Yet as hopeless as that may sound it is the flat line truth in which good news comes to life to your life For just as what's lost can be found what's wrong can even now be recovered
