Strandberg,2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world s stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the

dirty part of human personality is tellingly evoked in many of Warren's major works. As the poet's vision expands, however, these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved. In addition to close analysis both of individual poems and of the poet's overall development, Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets. Both as prophecy and as art, he concludes, Robert Penn Warren's poetry is so significant, versatile and excellent as to rank him among the finest and most fertile talents of his age. **Rosetta** John Ryan, 2013-01-31 As the first two books of poems published by Chipmunka clearly showed, John has experienced severe mental problems due to a savage sexual assault and rape. This volume shows the therapeutic and cathartic value of the act of writing in overcoming such problems. This is a good example of attention to the daily habit of creativity. John in this volume clearly demonstrates how writing has transformed a series of major personal problems into opportunities; above all, the opportunity to transform his most intimate musings into a fascinating series of poems. *The Strathmore Melodist: a Collection of Original Poems and Songs* John NIVEN (Writer of Verse.), 1846 *Lullaby, Wedding Waltz And Other Fifty Songs* Johnson K.
