Lyndsey's life has finally turned around. She's clean and sober, has her dream job working in addictions, and is married to a wonderful and supportive man. They have even taken in Billy, the fiery and unpredictable child of her old friend Dee, who still battles with active addiction. But when Lyndsey begins to learn the secret about her own long lost son, the line between her personal life and the ethics of her work begin to blur. Soon she is forced to choose between her own feelings and those of the people she is entrusted to protect. Meanwhile, Declan's hopes for freedom continue to be delayed. Released from prison on strict conditions, he finds himself in a shady rehab centre populated by a strange and questionable cast of characters. No matter how he'll just call his mom and sweet talk her into busting him out like she always does. He hatches a plan with the centre's resident drunk that should have him back on top and high out of his mind in no time. He soon finds out though that Susan has no intention of giving in again. With Lyndsey's help, she realizes that Declan isn't the only addict in the family. Her own sickness has caused her to bow to his every whim for too long, and it's finally time to set things right. Together, they face an unknown future and the last chance to save what's left of her family. *Jagged No More* is the third in the *Jagged* series. From the desperation of Dee's daily struggle to Lyndsey's devotion to helping those in need, it shows both the darkest depths of addiction and the light that finds a way to shine through. It is a story of life, loss, compassion, and love.

**Snoopy's Two-minute Stories** Justine Korman,1988 Two minute stories about Snoopy, Charlie Brown, Lucy, Linus, and many more Peanuts favorites.      *Saratoga Headhunter* Stephen Dobyns,2013-08-01 Everyman detective Charlie Bradshaw lands deep trouble in his third mystery in Saratoga Springs. Private eye Charlie, ever the outsider, finds himself in hot water when a former jockey, due to testify in court on a race fixing scam, is found decapitated, apparently given up to the mob by Charlie himself. Now Charlie must hunt down the killers and clear his name, all while staying alive and keeping his scheming companion Victor Plotz on a leash. But both are easier said than done.

**Man Up!** Ross Mathews,2025-05-01 In this hilarious and inspirational memoir, Ross Mathews, best known as Ross the Intern from *The Tonight Show* with Jay Leno, chronicles his life growing up as an atypical kid in a small Northwestern farm town, to living as an atypical adult in Los Angeles, to eventually being his loud, proud, apologetically genuine self on national television. As a young kid growing up in a farm town, Ross Mathews might as well have wished for a pet unicorn or a calorie-free cookie tree to grow in his front yard. Either of those far-fetched fantasies would have been more likely to come true than his real dream: working in television in Hollywood, California. Seriously, that stuff just doesn't happen to people like Ross. But guess what? It totally did. Now, with his first book, Ross takes us inside his journey as a super fan, revealing the most embarrassing and hilarious moments of his small town life and big city adventures. From learning to swear like a hardened trucker to that time in high school when he had to face down the most frightening opponent of all: his girlfriend's

lady bits Ross holds nothing back Oh then there s his surprisingly shady past involving the cutest pair of plus sized women s pajama bottoms deliciously dangerous pot butter and embezzled sandwiches And of course how he s managed to turn an obsession with pop culture into one on one interactions with celebrities like Gwyneth Paltrow Tiffani Amber Theissen Madonna Michelle Kwan and countless more without ever having a single restraining order issued against him Infused with Ross s trademark humor unique voice and total honesty Man Up is a mission statement for anyone who doesn t fit the mold His hasn t been the most traditional way to build a career in Hollywood but Ross has somehow managed to make his mark without ever compromising who he is He is as serious about this as he is about Golden Girls trivia You don t need to change who you are to achieve your dreams although there s nothing wrong with a makeover every now and then You just need to Man Up
