on his coat She pictured Boston too standing beside him the long brown plume of his tail swaying awaiting his own morning ritual It was impossible to sit still simply waiting a sense of foreboding gathering around her If anything happened to them she d well and truly be alone And then she heard it the crash of a thousand pounds falling She didn t know what it was but she leapt to her feet and scrambled down the stairs after them On the final step she stopped Emmett and Boston stood before the open door Snow had spilled in around their feet Thin swirls drifted across the floor and settled More snow was piled high in the doorway all the way to the top Not only snow a wall of ice What happened She stood on the last stair gripping the handrail Emmett turned his head toward her as if startled by her voice He brushed snow from his coat and quickly shut the door against the cold His leather hat lay on the floor at his feet It too was covered in snow What happened she repeated frightened by the look on his face His expression was grim Had he been hurt She tucked her robe more tightly about her It felt too thin not nearly enough to keep her warm Her teeth began to chatter A sheet of ice Up on the roof It must have formed overnight All that icy snow I just opened the door and it broke free He said it so matter of factly Despite his grim expression it didn t seem as if he was nearly as concerned as he should have been And it fell in the doorway she pressed At his calm nod she blurted out You could have been crushed you and Boston Did he not see that they could have been severely injured that they could have died She swallowed and asked Are you hurt No I m not hurt And thankfully Boston didn t push out ahead of me like he usually does For one brief instant a sickly expression crossed Emmett s face He did realize they could have been crushed That Boston might ve been killed if he d rushed out the door first Emmett reached down to ruffle the dog s neck fur Boston simply sat there with his eyes on the door perhaps waiting for his master to open it again not understanding they were quite literally snowed in I love a good mail order bride story and this one delivered HEIDI READS
