**Waiting for the Sun** Barney Hoskyns,2009-02-01 A classic finally back in print British rock historian Barney Hoskyns Hotel California Across the Great Divide The Band in America examines the long and twisted rock n roll history of Los Angeles in its glamorous and debauched glory The Beach Boys Buffalo Springfield the Doors Little Feat the Eagles Steely Dan Linda Ronstadt Joni Mitchell and others from Charlie Parker right up to Black Flag the Minutemen Jane s Addiction Ice Cube and Guns N Roses populate the pages of this comprehensive and extensively illustrated book *Flying Burrito Brothers' The Gilded Palace of Sin* Bob Proehl,2008-12-15 In 1968 the Flying Burrito Brothers released their debut album The Gilded Palace of Sin on A M Records selling a disappointing 400 000 copies Bob Proehl s book uses the Seven Deadly Sins as a kind of structuring device to look at an album that plays as fast and loose with its religious images as it does with its genre borrowing **Waiting for All the Vets to Die** Frank Carta,2025-03-31 Waiting for All the Vets to Die is a little like jazz a mix of flavors ideas and techniques This is a factual account of real people and events in a compelling vivid and dramatic manner Author Frank Carta s goal is to make nonfiction stories read like fiction hence his collection of creative nonfiction The 100 Greatest Bands of All Time David V. Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author s personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group s history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry The Tin Horse Janice Steinberg,2013-01-29 In the stunning tradition of Lisa See Maeve Binchy and Alice Hoffman The Tin Horse is a rich multigenerational story about the intense often fraught bond sisters share and the dreams and sorrows that lay at the heart of the immigrant experience It has been more than sixty years since Elaine Greenstein s twin sister Barbara ran away cutting off contact with her family forever Elaine has made peace with that loss But while sifting through old papers as she prepares to move to Rancho Ma ana or the Ranch of No Tomorrow as she refers to the retirement community she is stunned to find a possible hint to Barbara s whereabouts all these years later And it pushes her to confront the fierce love and bitter rivalry of their youth during the 1920s and 30s in the Los Angeles Jewish neighborhood of Boyle Heights Though raised together in

Boyle Heights where kosher delis and storefront signs in Yiddish lined the streets Elaine and Barbara staked out very different personal territories Elaine was thoughtful and studious encouraged to dream of going to college while Barbara was a bold rule breaker whose hopes fastened on nearby Hollywood In the fall of 1939 when the girls were eighteen Barbara's recklessness took an alarming turn Leaving only a cryptic note she disappeared In an unforgettable voice layered with humor and insight Elaine delves into the past She recalls growing up with her spirited family her luftmensch of a grandfather a former tinsmith with tales from the Old Country her papa who preaches the American Dream even as it eludes him her mercurial mother whose secret grief colors her moods and of course audacious Barbara and their younger sisters Audrey and Harriet As Elaine looks back on the momentous events of history and on the personal dramas of the Greenstein clan she must finally face the truth of her own childhood and that of the twin sister she once knew In *The Tin Horse* Janice Steinberg exquisitely unfolds a rich multigenerational story about the intense often fraught bonds between sisters mothers and daughters and the profound and surprising ways we are shaped by those we love At its core it is a book not only about the stories we tell but more important those we believe especially the ones about our very selves Praise for *The Tin Horse* Steinberg the author of five mysteries has transcended genre to weave a rich story that will appeal to readers who appreciate multigenerational immigrant family sagas as well as those who simply enjoy psychological suspense BookPage
