The Original Blues Lynn Abbott, Doug Seroff, 2017-02-27 Blues Book of the Year Living Blues Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Recorded Blues Gospel Soul or R the shadowy prehistory and early development of the blues is illuminated detailed and given substance At the end of the nineteenth century vaudeville began to replace minstrelsy as America's favorite form of stage entertainment Segregation necessitated the creation of discrete African American vaudeville theaters When these venues first gained popularity ragtime coon songs were the standard fare Insular black southern theaters provided a safe haven where coon songs underwent rehabilitation and blues songs suitable for the professional stage were formulated The process was energized by dynamic interaction between the performers and their racially exclusive audience The first blues star of black vaudeville was Butler String Beans May a blackface comedian from Montgomery Alabama Before his bizarre senseless death in 1917 String Beans was recognized as the blues master piano player of the world His musical legacy elusive and previously unacknowledged is preserved in the repertoire of country blues singer guitarists and pianists of the race recording era While male blues singers remained tethered to the role of blackface comedian female coon shouters acquired a more dignified aura in the emergent persona of the blues queen Ma Rainey Bessie Smith and most of their contemporaries came through this portal while others such as forgotten blues heroine Ora Criswell and her protégé Trixie Smith ingeniously reconfigured the blackface mask for their own subversive purposes In 1921 black vaudeville activity was effectively nationalized by the Theater Owners Booking Association T O B A In collaboration with the emergent race record industry T O B A theaters featured touring companies headed by blues queens with records to sell By this time the blues had moved beyond the confines of entertainment for an exclusively black audience Small time black vaudeville became something it had never been before a gateway to big time white vaudeville circuits burlesque wheels and fancy metropolitan cabarets While the 1920s was the most glamorous and remunerative period of vaudeville blues the prior decade was arguably even more creative having witnessed the emergence popularization and early development of the original blues on the African American vaudeville stage **Vaudeville old & new** Frank Cullen, Florence Hackman, Donald McNeilly, 2007 **Herd Register** American Guernsey Cattle Club, 1929
