Swept Away Why Women Fear Their Own Sexuality:

Swept Away Carol Cassell, 1985

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book

Two Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

Women's Conflicts About Eating and Sexuality

Ellen Cole, Esther D Rothblum, Lillie Weiss, Rosalyn Meadow, 2014-06-03 Women's Conflicts About Eating and Sexuality explores the strong relationships food and sex have represented to women over the years No other book has spelled out so clearly the parallels between sex and eating nor integrated the relationship of these to women's basic need to be loved Today's dilemma for women be fat or go hungry and the endless variations and unsatisfying solutions to this problem have contributed to the incidence of anorexia bulimia and obesity The pursuit of slimness the obsession with having the perfect body excessive aerobicizing and diet books ad nauseam are all part of this phenomenon Authors in Women's Conflicts About Eating and Sexuality skillfully discuss the parallel between women's obsession with sex and romance in the fifties and their obsession with food today An important book for all women it sheds light on the complex issues facing women and devotes special attention to the career woman and the additional pressures to be slim and stay slim The woman who reads this potentially life changing book can examine question and change her behavior using the specific step by step program aid included in the book This book is for every woman who has ever worried about being too fat or too sexual Women's Conflicts About Eating and Sexuality will appeal to women of all ages young women and their mothers will be fascinated by the parallels between sexual obsessions of thirty years ago and the eating obsessions of today This healing book will particularly attract single career women for whom sex and relationships are fraught with complications Counselors and therapists will

find this book an excellent resource in their work with helping women It is also a good auxiliary text for courses in Women s Studies focusing on psychology and history of women and the sociology of women and eating disorders **Women's**

Sexuality Across the Life Span Judith C. Daniluk,2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on womens s sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings Issues in Feminist Film Criticism

Patricia Erens,1990 This anthology makes it abundantly clear that feminist film criticism is flourishing and has developed dramatically since its inception in the early 1970s Journal of Aesthetics and Art Criticism Erens brings together a wide variety of writings and methodologies by U S and British feminist film scholars The twenty seven essays represent some of the most influential work on Hollywood film women s cinema and documentary filmmaking to appear during the past decade and beyond Contributors include Lucie Arbuthnot Linda Artel Pam Cook Teresa de Lauretis Mary Ann Doane Elizabeth Ellsworth Lucy Fischer Jane Gaines Mary C Gentile Bette Gordon Florence Jacobowitz Claire Johnston E Ann Kaplan Annette Kuhn Julia Lesage Judith Mayne Sonya Michel Tania Modleski Laura Mulvey B Ruby Rich Gail Seneca Kaja Silverman Lori Spring Jackie Stacey Maureen Turim Diane Waldman Susan Wengraf Linda Williams and Robin Wood *The Myth of*

Women's Masochism Paula J. Caplan,2005 Finally a definitive study that debunks one of Freud s most damaging myths that women are inherently masochistic offers healthier ways to view female behavior MS Magazine Concrete convincing sensible revolutionary calling for nothing short of a revision in our thinking about women Philadelphia Inquirer not a quick fix pop psychology do it yourselfer but a thoughtful examination of a persistent self defeating myth Chicago Tribune outstanding scholarly debunking of an extremely damaging cultural belief it contains valuable lessons for the mental health professions Readings So convincing are her arguments that often one is left wondering how on earth such theories could ever have been taken seriously Morning Star London Sexual Coercion in Dating Relationships E Sandra Byers,Lucia F

O'Sullivan,2013-12-16 Sexual Coercion in Dating Relationships represents the next generation of research in the area of sexual coercion This collection of critical analyses of current research and possible directions for future research benefits all researchers counselors and educators who need to thoroughly understand research efforts in this field The clear analyses allow readers to evaluate critical issues and progress in the field to date Outside of research and feminist communities sexual coercion is frequently minimized and too often stereotyped The words sexual coercion synonyms with sexual aggression and sexual assault conjure in the minds of many the image of a deranged man attacking a woman stranger in a dark place where

she should know better than to be walking alone This and other stereotypes are challenged by the authors of Sexual Coercion in the Dating Relationship The chapters examine other important issues that have yet received little research attention For example one author tests the empirical assumptions inherent in a prominent theory about the causes of sexual coercion Some of the authors challenge the assumption that only women are pressured or forced to engage in unwanted or nonconsensual sex Other authors address issues related to the prevention of sexual coercion of women and challenge current conceptions of women s sexuality Still others identify methodological problems related to research on sexual coercion such as current methods of identifying attitudes supportive of the use of sexual coercion All of the chapters challenge current beliefs related to the issue of sexual coercion and are designed to spur researchers and educators forward into new ground With the publication of this book readers are forced to re think their assumptions on sexual coercion with the new statistics and research on these topics evaluates of a prominent theory of the causes of sexual coercion the traditional script examines men s and women s use of sexual influence in their dating relationships the types of behavior men and women use to influence their partners to engage in unwanted sex and the associated consequences for the individuals and the relationship compares men s and women s reactions to sexual coercion presents a model to predict women s resistance and evaluates effective practical measures of prevention for women evaluates attitudes toward rape literature and the predictive ability of assessing attitudes critical reviews of current conceptions of women s sexuality and the need to restructure culturally endorsed attitudes in our prevention efforts reviews methodological problems plaguing many current research investigations and the political ramifications of many investigations in this area Because this book presents information related to the prevention and experience of sexual coercion Sexual Coercion in Dating Relationships is helpful in developing long term research and preventive programs This sourcebook also helps researchers expert witnesses counselors especially college support staff and college and university educators provide information to students and others about sexual coercion

Human Sexuality Anne Bolin, Patricia Whelehan, Muriel Vernon, Katja Antoine, 2021-06-29 This groundbreaking second edition of Human Sexuality continues its broad and interdisciplinary goal of providing readers with a comprehensive overview on sexuality as a core part of our individual identities and social lives Edited by anthropological experts on the subject this unique textbook integrates evolutionary and cultural aspects to provide a fully interdisciplinary approach to human sexuality that is rare in this area of scholarship Fully updated throughout in line with developments in the field this second edition includes fresh material exploring new sexual identities sexual violence and consent Internet pornography conversion therapy polyamory and much more In addition to providing a rich array of photographs illustrations tables and a glossary of terms this textbook explores pregnancy and childbirth as a bio cultural experience life course issues related to gender identity sexual orientations behaviors and lifestyles socioeconomic political historical and ecological influences on sexual behavior early childhood sexuality puberty and adolescence birth control fertility conception and sexual differentiation HIV infection AIDS AIDS

globalization and sex work Utilizing viewpoints across cultural and national boundaries and taking into account the evolution of human anatomy sexual behavior attitudes and beliefs across the globe Human Sexuality Second Edition remains an essential text for educators and students who wish to understand human sexuality in all of its richness and complexity

Sexuality in Adolescence Susan Moore, Doreen Rosenthal, Susan M. Moore, Doreen A. Rosenthal, 2007-01-24 Sexuality in Adolescence considers the latest theory and research on adolescent development focusing on sexuality as a vital aspect of normal healthy maturation Biological changes are discussed within a social context and the latest research is presented on key issues of our time including changes in teenage sexual behaviours and beliefs sexual risk taking body dissatisfaction sex education teen pregnancy and abortion Susan Moore and Doreen Rosenthal explore the roles of parents peers the media social institutions and youth culture in adolescent sexual adjustment This volume covers topical issues ranging from the role of the internet in adolescent romance to the pros and cons of abstinence education versus harm minimization Issues such as whether there are male female differences in desire sexuality motives for sex and beliefs about romance are examined along with the question of whether a sexual double standard still exists Maladaptive aspects of sexual development including sexual risk taking disease unplanned pregnancy and sexual coercion are also covered This fully revised and updated second edition also addresses the crucial issues of sexual minority adolescents the social determinants of adolescent sexuality sexual health as opposed to sexual illness This book aims to promote sexual well being and argues for the importance of the adolescent period as a time for engendering healthy sexual attitudes and practices It will be valuable reading for students in the social and behavioural sciences interested in adolescent development and the topic of sexuality and for professionals working with young people

Hooking Up Kathleen A. Bogle, 2008-01-01 A closer look into the new sexual culture on college campuses It happens every weekend In a haze of hormones and alcohol groups of male and female college students meet at a frat party a bar or hanging out in a dorm room and then hook up for an evening of sex first questions later As casually as the sexual encounter begins so it often ends with no strings attached after all it was just a hook up While a hook up might mean anything from kissing to oral sex to going all the way the lack of commitment is paramount Hooking Up is an intimate look at how and why college students get together what hooking up means to them and why it has replaced dating on college campuses In surprisingly frank interviews students reveal the circumstances that have led to the rise of the booty call and the death of dinner and a movie Whether it is an expression of postfeminist independence or a form of youthful rebellion hooking up has become the only game in town on many campuses In Hooking Up Kathleen A Bogle argues that college life itself promotes casual relationships among students on campus The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college Importantly she shows us that the standards for young men and women are not as different as they used to be as women talk

about friends with benefits and one and done hook ups Breaking through many misconceptions about casual sex on college campuses **Hooking Up** is the first book to understand the new sexual culture on its own terms with vivid real life stories of young men and women as they navigate the newest sexual revolution

Facing the Complexities of Women's Sexual Desire Vera S. Maass,2006-11-22 This book represents a broad based approach to a narrow but complex issue The issue causes distress for many and has been instrumental in family disruption and divorce Women s sexual desire whether it is too little or too much has become an issue of growing concern and vague promises for solution In the meantime the women are looking for answers consulting professionals in the field of human sexuality physicians or therapists media advice and self help books The material discussed in this book is not part of any structured research The women encountered in the pages of this book have not been selected on a random basis Some have been clients some are volunteers from the general population and another group is made up of undergraduate college students The college s dents came from a varied ethnic and cultural background while the clients mainly were of white and African American background The volunteers were predominantly from a white middle class population There is no claim that the women are representative of all women in the general population

Perspectives on Human Sexuality Anne Bolin,Patricia Whelehan,1999-07-01 Presents the first book length examination of both the biological and cultural factors in human sexuality

Text and Territory Sylvia Tomasch,Sealy Gilles,2016-11-11 Twelve literary scholars and historians investigate the ways in which space and place are politically religiously and culturally inflected Exploring medieval texts as diverse as Icelandic sagas Ptolemy s Geography and Mandeville s Travels the contributors illustrate the intimate connection between geographical conceptions and the mastery of land the assertion of doctrine and the performance of sexuality

Sexuality Counseling Kay Frances Schepp,2013-08-21 First published in 1986 Sex education is a necessary component of sexuality counseling A practitioner needs to be a sensitive effective educator in order to help people remedy sex related problems and prevent future ones This program is about professional counseling and assumes that the reader has training or intends to obtain it in an established helping profession

The Economic Emergence of Women B. Bergmann,2005-09-16 This new edition of a classic feminist book explains how one of the great historical revolutions the ongoing movement toward equality between the sexes has come about Its origins are to be found not in changing ideas but in the economic developments that have made women s labour too valuable to be spent exclusively in domestic pursuits The revolution is unfinished new arrangements are needed to fight still prevalent discrimination in the workplace to achieve a more just sharing of housework and childcare between women and men and with the weakening of the institution of marriage to re erect a firm economic basis for the raising of children

Women Studies Abstracts ,1986

The Politics Of Lust John Ince,2010-09-09 An attorney erotic arts activist and sexual theorist argues that the American culture s much touted sexual hedonism is in fact mere bravado Ince shows that though 30 years have elapsed since the sexual revolution negative attitudes are still prevalent toward nudity

masturbation homosexuality and many other sexual subjects Shot/Countershot Lucy Fischer, 2014-07-14 Do films made by women comprise a counter cinema radically different from the dominant tradition Feminist film critics contend that women filmmakers do present from a distinctive vision or countershot and Lucy Fischer argues persuasively for this view In rich detail this book relates the idea of a counter cinema to theories of intertextuality and locates it in the broad context of recent feminist film literary and art criticism Fischer also employs an original critical model of the dialogue between women s cinema and film tradition in the very organization of the book Each chapter discusses a theme or genre such as the musical the double the myth of womanhood and the figure of the actress counterposing two or more works from the feminist and from the dominant cinema What emerges is a fascinating picture of a women s film tradition that not only addresses but reworks and remakes the mainstream cinema Fischer successfully combines two main strains of feminist criticism the deconstructive critique of the dominant culture from a feminist standpoint and the study of a feminist counterculture Examining films from *Persona* and *The Lady from Shanghai* to *Girlfriends* and *Sisters or the Balance of Happiness* the book offers fresh interpretations of individual works and can incidentally serve as an introduction to the field of feminist film criticism Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Field Day Anthology of Irish Writing* Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991 *Her Way* Paula Kamen, 2000 How young woman are redefining sex 30 years after the Sexual Revolution Three decades after the Sexual Revolution women s power and status have begun to match men s and women are finally making the rules in order to experience a more radical and truer form of liberation *Her Way* demonstrates how and why 20 and 30 something women have evolved to act and think more like men sexually while also creating their own distinct sexual patterns and appetites Today s young women are now the leaders of an unreported but sweeping Sexual Evolution in which women take control of sex and redefine it from their perspective In other words do it her way Paula Kamen characterizes this Sexual Evolution according to two major developments that are setting sexual patterns for future generations of women young women s sexual profiles are now remarkably similar to those of men in terms of age of first intercourse and numbers of sex partners and casual encounters They also feel less guilt or shame about their behavior from premarital sex to having a child out of marriage to coming out of the closet to cohabiting Yet young women are not merely imitating men but forging their own distinct sexual perspectives and asserting their own needs In addition to discovering the pleasures of sex young women are also exploring the dilemmas challenging male defined sexual scripts and changing what actually goes on in bed Based on more than one hundred lively unfiltered and in depth interviews

with women across the country Her Way cuts through the sensationalism and speculation of popular discussions about young women and sex Kamen reports the real story of today s enhanced sexual expectations and choices

Swept Away Why Women Fear Their Own Sexuality Introduction

In today's digital age, the availability of Swept Away Why Women Fear Their Own Sexuality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Swept Away Why Women Fear Their Own Sexuality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Swept Away Why Women Fear Their Own Sexuality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Swept Away Why Women Fear Their Own Sexuality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Swept Away Why Women Fear Their Own Sexuality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Swept Away Why Women Fear Their Own Sexuality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Swept Away Why Women Fear Their Own Sexuality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Swept Away Why Women Fear Their Own Sexuality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Swept Away Why Women Fear Their Own Sexuality books and manuals for download and embark on your journey of knowledge?

FAQs About Swept Away Why Women Fear Their Own Sexuality Books

1. Where can I buy Swept Away Why Women Fear Their Own Sexuality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
