**S Baum**

## Swift Harvester New Readings:

Factions' Fictions Daniel Eilon,1991-07 An understanding of the linguistic political and moral ramifications of Private Spirit the parochialism and partiality typical of clubs parties and cabals provides insights into the logic behind Swiftian polemic and satire Swiftian satire an essentially private joke offering exclusive satisfaction to an elite fraternity of insiders is shown to be a creative rhetorical adaption of private spirit

Jonathan Swift Nigel Wood,2014-06-11 This collection of critical thinking situates the satire of Jonathan Swift within both its eighteenth century contexts and our modern anxieties about personal identity and communication Augustan satire at its most provocative is not simply concerned with the public matters of politics or religion but also offers a precise medium in which to express the paradox of ironic detachment amidst deep conviction The critics chosen for this volume demonstrate the complexity of Swift s work Its four sections explore matters of authorial identity the relation between Swift s writing and its historical context the full range of his comments on gender and his deployment of metaphor and irony to engage the reader Swift has often been regarded as a writer who anticipated many twentieth century cultural preoccupations and this volume provides an opportunity to test just how modern he actually was It also provides an answer to those who would wish to simplify his writing as that of Tory and misogynist The theoretical perspectives of the contributors are lucidly explained and their critical terms located in the wider contexts of contemporary theory in the introduction and headnotes The volume places Swift historically within the philosophical and religious traditions of eighteenth century thought

Swift and Science G. Lynall,2012-05-22 It is thought that Swift was opposed to the new science that heralded the beginning of the modern age but this book interrogates that assumption tracing the theological political and socio cultural resonances of scientific knowledge in the early eighteenth century and considering what they can reveal about Swift s imagination

**Reading Swift's Poetry** Daniel Cook,2020-08-13 Poets are makers etymologically speaking In practice they are also thieves Over a long career from the early 1690s to the late 1730s Jonathan Swift thrived on a creative tension between original poetry making and the filching of familiar material from the poetic archive The most extensive study of Swift s verse to appear in more than thirty years Reading Swift s Poetry offers detailed readings of dozens of major poems as well as neglected and recently recovered pieces This book reaffirms Swift s prominence in competing literary traditions as diverse as the pastoral and the political the metaphysical and the satirical and demonstrates the persistence of unlikely literary tropes across his multifaceted career Daniel Cook also considers the audacious ways in which Swift engages with Juvenal s satires Horace s epistles Milton s epics Cowley s odes and an astonishing array of other canonical and forgotten writers

**The Meaning of Irony** Frank Stringfellow Jr.,1994-07-01 Genuinely interdisciplinary in approach The Meaning of Irony brings together literary analysis and from psychoanalysis both theory and case studies Its investigation ranges from everyday examples of verbal irony conscious and unconscious to the complex irony of literature This book provides the first full account of verbal irony from a psychoanalytic point of view

Stringfellow shows how the rhetorical tradition by viewing the literal level of irony as something the speaker doesn't really mean flattens out the rich ambiguities of irony and misses the unconscious meanings that are hidden behind ironic statement. He argues that only psychoanalysis can recover these unconscious meanings and reveal the origins of irony.

**Gulliver's Travels** Brean S. Hammond, 1988

**The English Literature Companion** Julian Wolfreys, 2017-09-16

What does it mean to study English Literature? Have you navigated and got the most from your degree? The English Literature Companion is your comprehensive introduction to and exploration of the discipline of English and Literary Studies. It is your advisor on key decisions and your one-stop reference source throughout the course. It combines a wide-ranging introduction to the nature, breadth, and key components of the study of English Literature with Essays by experts in the field on key topics, periods, and critical approaches; A glossary of critical terms and a chronology of literary history; Guidance about study skills from using your time effectively to the practical mechanics of writing essays; Extensive signposting to wider reading and further sources of information; Advice on key decisions taken during a degree and on subsequent career direction and further study. Giving you the foundation and resources you need for success in English Literature, this book is essential pre-course reading and will be an invaluable reference resource throughout your degree.

**The Huntington Library Quarterly** Henry E. Huntington Library and Art Gallery, 2003

**Gulliver's Travels and Ching-hua Yüan Revisited** An-chi Wang, 1995

The similarity between Gulliver's Travels and Ching-hua yüan Flowers in the Mirror is a popular topic of debate in Western Chinese comparative literature. This book re-evaluates these studies and applies the newly rediscovered mode of Menippean satire to clarify their significance. The Menippean interpretation demonstrates that the resemblance of these two works is particularly meaningful: they each criticize their respective cultural traditions and the glorious philosophies of their time. Furthermore, they do not attack human vices and social institutions in the manner of traditional satire. This study clarifies many of the controversial points critics have observed and argued over and reveals the texts' typical Menippean characteristics.

**A Preface to Pope** Ian Robert Fraser Gordon, 2017-09-08

This second edition of Ian Gordon's A Preface to Pope places the poet within the social, cultural, and intellectual context of his time. It throws new light on the theoretical and imaginative structures of Pope's poetry, focusing on the linguistic complexity at its centre. It offers a critical survey of his work and also contains introductory essays. The book concludes with a reference section which includes indispensable information on places and people in Pope's poetry, together with a glossary of technical terms and a guide to further reading.

**Jonathan Swift** Claude Julien Rawson, 1995

A collection of critical essays reflecting both older and newer perspectives. Contains an introduction by the editor, a respected scholar in the field, a chronology of the author's life, and an annotated bibliography.

*Sabbath Readings for the Home Circle* M. A. Vroman, 2006-04-01

Originally published in 1905 as Choice Readings For The Home Circle, this newly issued reprint is a collection of stories and poems by M. A. Vroman and is considered one of the cornerstones of inspirational literature so popular among turn-of-the-century readers. Part of a trend of inexpensive prayer

books published for the family circle this volume contains best lessons in order to instill values in the young such as obedience to one's parents kindness and affection toward brothers sisters and friends compassion for the poor and the necessity for daily observance of the Gospel These virtuous if high minded stories contain indispensable principles for those interested in moral and religious parables of early 20th century literature Choice Readings for the Home Circle ,1916

Eighteenth-century Ireland ,1995

**The Eighteenth Century** ,1974

**Multicultural Research** Carl A.

Grant,2005-08-12 This is a book at the cutting edge of research on multiculturalism With contributions from top American authors currently working in this area the result is a text that not only dissects the multicultural issues facing education in the USA today but also reveals the methods and procedures of research into this contentious area Classic and

Contemporary Readings in Sociology Ian Marsh,Rosie Campbell,Mike Keating,2014-05-12 Classic and Contemporary Readings in Sociology introduces the reader to sociological issues theories and debates providing extracts of primary source material from both classical and contemporary theorists Theorists are examined within their historical and sociological framework and the text provides an analysis of developments in sociological thought and research The text is divided into four main sections Part One Origins and Concepts surveys the history of the discipline of sociology and examines key themes which have influenced sociological theorising and investigation in particular social control culture and socialisation Parts Two and Four Sociological Theories and Sociological Research include a number of readings from the founding theorists and investigators including Auguste Comte Emile Durkheim Karl Marx Max Weber and Charles Booth and also include more recent theoretical writing and research approaches The focus on theory and research is extended by a selection of readings centred around the theme of Differences and Inequalities Part Three these readings provide students with examples of work from an area where sociological theorising and research has been widely applied Handbook of the British Novel in the

Long Eighteenth Century Katrin Berndt,Alessa Johns,2022-07-18 The handbook offers a comprehensive introduction to the British novel in the long eighteenth century when this genre emerged to develop into the period's most versatile and popular literary form Part I features six systematic chapters that discuss literary intellectual socio economic and political contexts providing innovative approaches to issues such as sense and sentiment gender considerations formal characteristics economic history enlightened and radical concepts of citizenship and human rights ecological ramifications and Britain's growing global involvement Part II presents twenty five analytical chapters that attend to individual novels some canonical and others recently recovered These analyses engage the debates outlined in the systematic chapters undertaking in depth readings that both contextualize the works and draw on relevant criticism literary theory and cultural perspectives The handbook's breadth and depth clear presentation and lucid language make it attractive and accessible to scholar and student alike *Jonathan Swift and the Middle Way* Jonathan Lucas Thorndike,1989 **The British Library General Catalogue**

**of Printed Books, 1986 to 1987** British Library,1988
