moderation But into his relatively Spartan life now comes a flashback of another kind a nineteen year old daughter whose existence he never suspected Her mother was an overnight acquaintance whom with some effort he manages barely to recall The daughter s name is Amanda and her phone call sends Shaper s drab gray existence into dazzling Technicolor Amanda arrives trailing a motley band of associates a con man who explains his activities on his gypsy heritage except that he may not have one his blatantly seductive daughter Amanda s boyfriend D Wayne a streetsmart and usually genial black giant The con man owns what he has named The Yerba Buena Foundation dedicated to helping businessmen relieve stress his daughter well she runs the place D Wayne is the house s security man Others turn up segueing from various areas of Shaper s life Amanda part typical teenager part young receptacle of ancient wisdom is currently employed as a therapist at the Foundation Shaper plunges into this personal mosh pit like a repentant sinner at a river baptism the shock of his plunge awakening him to the realization that there s more in life than was dreamt of in his philosophy Gold has been blessing readers with his contemplation of the human condition for many years In this novel his lovely humor and deep understanding illuminates how a man walking a barren highway may react when fate suddenly shoves him onto an unpaved rutted dirt road
