**Communities in Victorian England** Dave Day,Margaret Roberts,2019-07-22 This book explores how different constituencies influenced the development of nineteenth century swimming in England and highlights the central role played by swimming professors These professionals were influential in inspiring participation in swimming particularly among women well before the amateur community created the Amateur Swimming Association and this volume outlines some key life courses to illustrate their working practices Female exhibitors were important to professors and chapter three discusses these natationists and their impact on women s swimming Subsequent chapters address the employment opportunities afforded by new swimming baths and the amateur community that formed clubs and a national organization which excluded swimming professors many of whom subsequently worked successfully abroad Dave Day and Margaret Roberts argue that the critical role played by professors in developing swimming has been forgotten and suggest that their story is a reminder that individuals were just as important to the foundation of modern sport as the formation of amateur organizations

*Physical Training Manual* Arthur W. Wallander,1925 **Ear** Jan Procházka,2022-09-01 A paranoid thriller of life under surveillance in Communist Czechoslovakia A deputy minister in the Communist Party Ludv k enjoys all the luxuries that political success affords him but he must be careful since he knows the secret police have bugged his apartment Penned under the oppressive watch of Soviet authorities in 1960s Czechoslovakia but touching on still current themes of surveillance and paranoia this darkly comic cinematic thriller is as tense and timely as ever Author Jan Proch zka knew firsthand the gnawing terror of life in a surveillance state A promising Party member who became persona non grata after the Soviet occupation of Czechoslovakia his own apartment was discovered to contain no less than twelve hidden microphones *What*

*If You're Wrong?* Wendy Cunningham,2021-03-25 Why don't you believe in God A simple question but one for which I didn't have a good answer I was confident in what I believed I just didn't know how I'd arrived at that conclusion Turns out the how is what led me off track I've had hundreds of conversations with people just like me who are on a journey to find the truth Most people have the same fundamental questions that keep them from faith Why do bad things happen to good people How accurate is the Bible What about evolution This book tackles those questions and poses new ones starting with the title What if you're wrong Get ready to laugh as we walk through what it looks like to go from a non-believer to a devout follower of Christ
