Swindon Cicklade Railway:

The 1896 Light Railways Act John Hannavy, 2019-08-15 The fascinating story behind a Victorian law with a welcome and unexpected side effect it allowed today's heritage railways to come into being

The Railway Preservation Revolution Jonathan Brown, 2017-06-30 A ride on a steam train is a popular family outing More than 100 heritage railways cater for that demand capturing the spirit of nostalgia while preserving the engines and equipment of past days of rail travel Their interests even extend to the modern era of 1960s 70s diesels Those heritage railways themselves have a long pedigree back to 1951 when a group of enthusiasts saved the Talyllyn Railway in mid Wales from closure They ran this railway as volunteers out of their love of the little trains and a desire to keep it going Their example was followed by many more preservation societies who preserved and restored branch lines country lines and industrial lines for our enjoyment now Six decades have passed and we are now beginning to realize what an impressive history the heritage railway movement has This book traces that history from the humble beginnings the hopes and ambitions of the pioneers on the different railway projects There were times of failure and frustration as some fell by the wayside but others have made it through times of adversity to become the major heritage businesses of today

Steam Trains Today Andrew Martin, 2021-04-29 A delightful book the perfect companion as you wait for the 8 10 from Hove Observer After the Beeching cuts of the 1960s many railways were gradually shut down Rural communities were isolated and steam trains slowly gave way to diesel and electric traction But some people were not prepared to let the romance of train travel die Thanks to their efforts many lines passed into community ownership and are now booming with new armies of dedicated volunteers Andrew Martin meets these volunteer enthusiasts finding out just what it is about preserved railways that makes people so devoted From the inspiration for Thomas the Tank Engine to John Betjeman's battle against encroaching modernity *Steam Trains Today* will take you on a heart warming journey across Britain from Aviemore to Epping

The Midland & South Western Junction Railway Through Time Steph Gillett, 2018-08-15 This fascinating selection of photographs traces some of the many ways in which the Midland South Western Junction Railway changed and developed over time

Exploring the Thames Rivers and Streams Richard Mayon-White, Wendy Yorke, 2025-06-12 A guide to exploring and enjoying the river Thames and its tributaries through the 50 best riverside walks The River Thames is a beautifully rich and diverse 215 mile stretch of water that so many of us enjoy walking along for half an hour half a day or days on end courtesy of the wonderful Thames Path Explore further and you discover the Thames tributaries the rivers and streams that flow into the Thames from miles in all directions This natural network has an enormous catchment area right across Southern England into the Thames Estuary From a small source stream in Gloucestershire across varied and historic countryside through London and into the wide estuary entering the North Sea the Thames and its tributaries are a plentiful area for exploration and enjoyment *Exploring the Thames Rivers and Streams* helps you do just that The book presents the 33 primary rivers that flow from the Thames and within these chapters describes 50

wonderful walks that best explore the beauty these tributaries have to offer The walks vary between 4 and 12 miles long and explore a variety of chalk streams wet woodlands lakes reedbeds flood meadows and canals where you can pause observe the wildlife read about the interesting and historical places featured or enjoy the waterside with a wild swim picnic or paddle Each chapter also features beautiful photography and informative maps [Southern and Isle of Wight Railways](#) Brian Reading,Ian Reading,2023-03-15 Stunning previously unpublished images documenting the end of steam in London the South and South West **Creating Heritage** Thomas Carter,David Harvey,Roy Jones,Iain Robertson,2019-11-15 This book investigates the selection process of heritagisation to understand what specific pasts are being selected or rejected for representation who is selecting them how and to whom they are being represented and why they are being presented or dismissed in the ways that they are Some aspects of our pasts are venerated and memorialised for a variety of reasons while others are forgotten or even hidden This volume thus provides examples from across a spectrum Some phenomena are well suited to heritagisation such as animals memorialised for their bravery long past agricultural techniques and implements and impressive landscapes However this book also deals with products e g tobacco historical periods e g the Third Reich and scientific techniques e g genetic modification with negative connotations that extend beyond their heritage attributes This volume considers how the actors in the heritage industry admit valorise prioritise and rationalise historic resources as heritage products These findings provide practical examples of how heritage institutions privilege frame and or exclude a wide range of heritage items They also contrast the invocations of sectional local national or class based and more cosmopolitan heritages and consider the extent to which innovation and change are or can be acknowledged within the heritage discourse *Swindon City Atlas* ,2006-09 A brand new street atlas of Swindon Chiseldon Lyneham Purton Wootton Bassett and Wroughton giving the most comprehensive and detailed coverage of the area The mapping is prepared to the same specification as all titles in the highly successful Philip s street atlas series The contents include a route planner two pages of detailed Navigator mapping giving an overview of the whole area covered by the atlas marking all major and minor roads a two page guide to the top visitor attractions and an index of street names and postcodes The street maps provide comprehensive coverage of Swindon Chiseldon Lyneham Purton Wootton Bassett and Wroughton with 54 pages at an enlarged scale of 4 5 inches to 1 mile and one page of ultra large coverage of central Swindon at 7 inches to 1 mile The maps show every named road street and lane with visitor attractions clearly marked and one way streets pedestrian areas and through routes all highlighted Schools colleges hospitals police stations post offices car parks sports centres and local government offices are all featured Pocket sized and wire stitched so that it opens out flat the atlas is ideally suited for both business and leisure use whether by locals or visitors Main map scale 4 5 inches to 1 mile **The Kent & East Sussex Railway, 1974-2004** Nick Pallant,2025-03-30 Over thirty years ago Nick Pallant told the story of the struggle to save one of Britain s best loved heritage railways in *Holding the Line Preserving the Kent East Sussex Railway* Alan Sutton Publishing

That book concluded its detailed coverage with the partial reopening of the K ESR in 1974 This new account continues the story over the thirty years which followed The first 12 chapters mainly rely on secondary sources particularly the K ESR s house journal the Tenterden Terrier Later chapters describe the years after he returned as a volunteer following over two decades as an armchair member and includes his subsequent experiences as a K ESR employee and Company Secretary The key points in the story are the extensions to the line which followed the reopening of a short section in 1974 There is also coverage of the scheme to rebuild the lost section between Bodiam and the national network at Robertsbridge The growth of passenger traffic is detailed along with all the problems and achievements encountered along the way The narrative is intertwined with anecdotes of heritage railway life in all its hopes frustrations humour and comradeship Having begun by briefly recalling the K ESR s history prior to 1974 the book puts matters into further perspective by concluding with a summary of the major events from 2004 to the third decade of the 21st century

more than 260 travel guides to 120 destinations gift books and phrasebooks **Rail Centres, Swindon** Colin Gordon Maggs,1983 **British Steam Locomotives Before Preservation** Malcolm Clegg,2020-07-30 A pictorial history of the British locomotives now part of the national collection detailing their working lives and their preservation British Steam Locomotives Before Preservation covers the history in pictorial form of steam locomotives that are now preserved as part of the national collection Those which can be found in private collections and the ones which adorn the various heritage railways which operate throughout Britain The book looks at each subject both in its working life and during its subsequent preservation The pictorial content covers a wide swathe of Britain during the years before the heritage locomotives were earmarked for preservation Praise for British Steam Locomotives Before Preservation The book does exactly what it says on the cover and is recommended for anyone with an interest in UK standard gauge steam The photographs include not only locomotives but also trains in some very interesting settings which adds to the enjoyment of a well researched offering Recommended Next one please Ffestiniog Railway Magazine Great Western Railway Pannier Tanks Robin Jones,2014-01-31 The name Great Western Railway immediately conjures up images of Stars Castles and Kings the legendary express passenger locomotives that were the envy of the world in their day However the Swindon empire also produced extensive fleets of all purpose tank engines everyday reliable workhorses and unsung heroes which were standout classics in their own right The most distinctive and immediately recognizable type in terms of shape all but unique to the GWR was the six coupled pannier tank With hundreds of photographs throughout Great Western Railway Pannier Tanks covers the supremely innovative pannier tank designs of GWR chief mechanical engineer Charles Benjamin Collett the appearance of the 5700 class in 1929 and the 5400 6400 7400 and 9400 classes Also the demise of the panniers in British Railways service and the 5700s that marked the end of Western Region steam followed by a second life beneath the streets 5700 class panniers on London Underground Also covers Panniers in preservation plus cinema and TV roles and even a Royal Train duty Superbly illustrated with 260 colour and black white photographs *Great Western: Halls & Modified Halls* Laurence Waters,2015-08-31 The gradual growth of the railways in Britain during the late nineteenth and early twentieth centuries in both passenger and freight traffic saw the requirement for a more powerful and versatile type of motive power mixed traffic locomotives The construction of Great Western Halls and Modified Halls gave the Great Western a superb all round locomotive and for thirty six years they operated passenger and freight services over the Great Western and later Western Region The Hall class were among the largest mixed traffic steam locomotives that ran throughout this country and this is the first serious volume to focus on them in fifty years The book charts the history of both classes from their construction and withdrawal to their design development and eventual scrapping With over 200 black and white and colour photographs accompanied by informative captions each member of the classes is excellently illustrated It will appeal greatly to those interested in the history of Great Western Locomotive development **British Industrial Steam Locomotives** David

Mather,2020-09-30 A pictorial history of the many producers of industrial steam locomotives in Great Britain from the early nineteenth century to the mid twentieth century The first steam locomotives used on any British railway worked in industry The use of new and second hand former main line locomotives was once a widespread aspect of the railways of Britain This volume covers many of the once numerous manufacturers who constructed steam locomotives for industry and contractors from the nineteenth to the mid twentieth centuries David Mather has spent many years researching and collecting photographs across Britain of most of the different locomotive types that once worked in industry This book is designed to be both a record of these various manufacturers and a useful guide to those researching and modelling industrial steam Praise for British Industrial Steam Locomotives A good introduction hopefully it will encourage some of those who have only been involved during the preservation period to take a wider interest in the historical aspects of the subject Industrial Locomotive Society Barry Scrapyard Keith W. Platt,2017-10-15 A fascinating collection of rare and unpublished photographs of the iconic Barry Scrapyard Preserved Pre-1948 Railway Carriages Royston Morris,2020-07-15 Royston Morris looks at a photographic record of historic preserved railway carriages enjoying their second life *The World's First Railway System* Mark Casson,2009-09-10 This is the first history of the British railway system written from a modern economic perspective It uses conterfactual analysis to construct an alternative network to represent the most efficient alternative rail network that could have been constructed given what was known at the time the first time this has been done **Rails South West From Birmingham in the Late 20th Century, 1972-2000** Peter J Green,2024-12-30 Towards the end of the twentieth century take a photographic journey along the railway lines to the southwest and south of Birmingham Starting at Birmingham s main stations New Street and Snow Hill in the centre of the city you can travel from the West Midlands through the urban industrial and rural landscapes of the counties of Gloucestershire Herefordshire Warwickshire and Worcestershire visiting the branch lines and the various heritage railways and railway centres along the way As well as the diesel locomotives and railcars that are illustrated in most of the photographs various steam hauled special trains are also included While the railway has gradually improved as a means of transport for the author it has become increasingly less interesting as it has been modernised Fortunately the spectacle of Peaks Class 50s and many other locomotives going about their daily business has been well recorded and many scenes are captured in these pages Much railway infrastructure still remained at this time and many older railway stations and mechanical signal boxes with their associated semaphore signalling are also featured adding to the interest of many of the photographs Preserved Shunters Andrew Cole,2021-11-15 Rare and previously unpublished images of shunters on Britain s railways covering classes 01 to 14
