Swingers Wild Ones:

The Swingers Nick Clarke, 1994-03 Publicist Ivor Belling and photographer Brian Lipman of Cable Publicity are given the opportunity to work on the promotion of a new product Young Stallion a cream to help male sexuality And in London during the swinging 60s there are no shortage of volunteers to test the product The Original Wild Ones Bill Hayes, 2010-11-10 Get an inside look at the real beginning of outlaw biker culture with this raucous and heartfelt recounting of the early days of biker clubs Roadbike The story starts one weekend in 1947 at a motorcycle race in Hollister California A few members of one club the no holds barred Boozefighters got a little juiced up and took their racing to the street Word of the fracas spread and soon enough Life magazine was on hand to tell the world with sensational albeit posed pictures of the outlaws And then the Hollister riot made its way into the movies immortalized in Marlon Brando's *The Wild One* What was the reality behind the myth Through interviews with the surviving members of the Boozefighters current member Bill Hayes and club historian Jim JQ Quattlebaum take readers right into the fray for a firsthand account of what happened in Hollister and the formation of the Boozefighters where the outlaw biker culture truly began The book with its great stories and entertaining real life characters MotorcycleUSA.com is mandatory reading for anyone interested in American motorcycling history Minnesota Motorcycle Monthly **Razabilly** Nicholas F. Centino, 2021-07-13 Vocals tinged with pain and desperation The deep thuds of an upright bass Women with short bangs and men in cuffed jeans These elements and others are the unmistakable signatures of rockabilly a musical genre normally associated with white male musicians of the 1950s But in Los Angeles today rockabilly's primary producers and consumers are Latinos and Latinas Why are these Razabillies partaking in a visibly un-Latino subculture that's thought of as a white person's fixation everywhere else As a Los Angeles Rockabilly insider Nicholas F. Centino is the right person to answer this question Pairing a decade of participant observation with interviews and historical research Centino explores the reasons behind a Rockabilly renaissance in 1990s Los Angeles and demonstrates how as a form of working class leisure this scene provides Razabillies with spaces of respite and conviviality within the alienating landscape of the urban metropolis A nuanced account revealing how and why Los Angeles Latinas/os have turned to and transformed the music and aesthetic style of 1950s rockabilly Razabilly offers rare insight into this musical subculture its place in rock and roll history and its passionate practitioners **Swinger** E. R. Ramdohr, 2024-12-13 This novel deals with the lives of four middle-aged couples who after years of living together face the wear and tear of their relationships especially in the sexual realm Through a narrative that mixes reflections on sexuality and scenes of social interaction the emotional ethical and cultural dilemmas related to the search for pleasure love and renewal in the couple are explored The story begins at a meeting of friends where Adolfo introduces two unexpected guests Jorge and Paulina who present themselves as sex educators These characters generate surprise and discomfort by announcing that their objective is to teach couples to improve their sexual life which causes a mixture of curiosity rejection and debate among the friends While

some begin to question their own sexual abilities and experiences others like Mariana reject the idea outright as they consider it immoral and inappropriate The meetings between the friends are filled with tension and arguments and Mariana becomes an opposition figure openly criticizing others Finally the group decides to accept Jorge and Paulina s program and everyone receives the lessons planned which take them from amazement to the most pleasurable sexual encounters Thus the most lustful experiences that can be achieved in this field are fully evident Some time later already freed from the initial tension due to an unforeseen circumstance some of them end up joining a group of Swingers where they get to know this adrenaline filled environment which they then communicate to the others provoking their interest Could it be that they end up forming a similar community among all of them *Everything And Then Some* Mark Alan Norris,2005-07 Contains small bits to full scale stories and screenplays all stuffed into one giant suitcase The view backwards and forward 20 years after leaving art school Guys With Guns Mark and Peter s wild ride from Indianapolis to Los Angeles New York to LA road trip in the year 2001 before the towers went down The Un Produced X Files scripts and then some Great airline reading It is guaranteed to eliminate unwanted conversation with the fellow traveler sitting next to you The Dean of Discipline Michael Waters,2018-04-20 In the richly musical and boldly imaginative poems of The Dean of Discipline Michael Waters explores the confluences of the sensual and the spiritual and renders their mysteries with precision and clarity The title evokes the rigorous consciousness that prods the artist to deepen into his craft Line by line Waters delivers the passionate eloquence and intensity that distinguish his poems **Hoodlum Movies** Peter Stanfield,2018-07-13 From The Wild Angels in 1966 until its conclusion in 1972 the cycle of outlaw motorcycle films contained forty odd formulaic examples All but one were made by independent companies that specialized in producing exploitation movies for drive ins neighborhood theaters and rundown inner city theaters Despised by critics but welcomed by exhibitors denied first run films these cheaply and quickly produced movies were made to appeal to audiences of mobile youths The films are repetitive formulaic and eminently forgettable but there is a story to tell about all of the above and it is one worth hearing Hoodlum Movies is not only about the films its focus is on why and how these films were made who they were made for and how the cycle developed through the second half of the 1960s and came to a shuddering halt in 1972 **The Nation** ,1978-07 Film, a Modern Art Aaron Sultanik,1986 *Backstage Passes & Backstabbing Bastards* Al Kooper,2008-02-01 A rock n roll classic back in print updated and revised One of the funniest rock memoirs ever Al Kooper s legendary Backstage Passes is available again Al s quirkily life from would be teenage rocker to crashing Bob Dylan s recording session an **The Swinger** Michael Bamberger,Alan Shipnuck,2012-04-03 A wickedly funny novel that takes us inside the epic rise collapse and comeback of golfing icon Tree Tremont All My Friends Are Superheroes Andrew Kaufman,1999-10-19 All Tom s friends really are superheroes There s the Ear the Spooner the Impossible Man Tom even married a superhero the Perfectionist But at their wedding the Perfectionist was hypnotized by ex boyfriend Hypno of course to believe that Tom is invisible Nothing he does

At a Theater or Drive-in Near You Randall Clark, 2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women's prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience

Framing the South Allison Graham, 2003-05-01 What patterns emerge in media coverage and character depiction of Southern men and women blacks and whites in the years between 1954 and 1976 How do portrayals of the region and the equal rights movement illuminate the spirit and experience of the South and of the nation as a whole In *Framing the South* Allison Graham examines the ways in which the media particularly television and film presented Southerners during the period of the civil rights revolution

Graham analyzes depictions of southern race and social class in a wide range of Hollywood films including *A Streetcar Named Desire*, *The Three Faces of Eve* and *A Face in the Crowd* from the 1950s later films like *Cool Hand Luke*, *In the Heat of the Night* and *Mississippi Burning* and MGM's Elvis Presley vehicles. She traces how films have confronted or avoided issues of racism over the years paralleling Hollywood depictions with the tamer characterization of the likeable hillbilly popularized in television's *The Real McCoys* and *The Andy Griffith Show*. Graham reinforces the political impact of these fictional representations by examining media coverage of civil rights demonstrations including the documentary *Crisis Behind the Presidential Commitment* which reported the clash between Robert Kennedy and Governor George Wallace over the integration of the University of Alabama. She concludes with a provocative analysis of *Forrest Gump* identifying the popular film as a retelling of post World War II Southern history. *Boating*, 1968-01 Billboard, 1965-07-24 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends. *Billboard*, 1969-04-26 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends.
