The Trains Now Departed Michael Williams,2015-05-07 SOMETIMES you come across a lofty railway viaduct marooned in the middle of a remote country landscape Or a crumbling platform from some once bustling junction buried under the buddleia If you are lucky you might be able to follow some rusting tracks or explore an old tunnel leading to well who knows where Listen hard Is that the wind in the undergrowth Or the spectre of a train from a golden era of the past panting up the embankment These are the ghosts of The Trains Now Departed They are the railway lines and services that

ran on them that have disappeared and gone forever Our lost legacy includes lines prematurely axed often with a gripping and colourful tale of their own as well as marvels of locomotive engineering sent to the scrapyard and grand termini felled by the wrecker's ball Then there are the lost delights of train travel such as haute cuisine in the dining car the grand expresses with their evocative names and continental boat trains to romantic far off places The *Trains Now Departed* tells the stories of some of the most fascinating lost trains of Britain vividly evoking the glories of a bygone age In his personal odyssey around Britain Michael Williams tells the tales of the pioneers who built the tracks the yarns of the men and women who operated them and the colourful trains that ran on them It is a journey into the soul of our railways summoning up a magic which although mired in time is fortunately not lost for ever THIS EDITION REVISED AND UPDATED TO INCLUDE MAPS *The Emerald Shadows of Sea Cliff House* Jane Toombs,1991 Esma Drake readily accepts the job of nurse and companion to fragile young Alisette Nikolai But when she first sees Sea Cliff House perched high atop the ocean cliffs Esma is filled with terror and dread Torn between her attraction to Alisette's father and fear Esma is plunged into a whirlwind of danger dark secrets and murder *The Seven Sapphires of Mardi Gras* Vickie Britton,1991 **The Shifting Shadows of Moongate** Michele Yount Thomas,1991 **Secret of the Dragon's Claw** Derek Hart,2010-04-07 Secret of the Dragons Claw continues the adventures of Gavin Kane Emily Scott and Bunty Digby fourteen year old teens who struggle with their daily lives in England during the winter of 1941 and into the spring of 1942 War has forced everyone to settle into an uncomfortable daily pattern while England is still under siege as U boats relentlessly attack vital convoys Halfway across the world British American and Allied forces are now also fighting the Japanese Empire Twice before the teens have helped battle the forces of darkness but once again face strange and wicked creatures sent from deep within Nazi Germany Secret of the Dragons Claw further develops the friendship and alliance between this teenage trio and the eccentric Sir Thaddeus Osbert The dragon has become accustomed to battling a myriad of dangerous foes over the ages but protecting Gavin Emily and Bunty has become a full time endeavor Thaddeus must deal with his nagging sweet tooth which this time gets him into several compromising situations However the dragons addiction to sugar has unforeseen benefits too The children band together with their dragon friend of course but they also discover magical powers are commonplace throughout the United Kingdom Will a hasty alliance with a senile old wizard be enough to prevent something so horrible so unimaginable that it threatens to plunge the entire world into permanent darkness *A Week's Wanderings in Cornwall and Devon* Thomas H. Crimson Roses of Fountain Court Peggy Darty, 1991

Beneath Cornish Skies Kate Ryder, 2021-01-07 To an outsider Cassandra Shaw's life looks perfect. She lives in a beautiful luxurious house in the English countryside with a handsome wealthy boyfriend who insists she needn't do a day's work in her life. But Cassie knows that something is not right. Her boyfriend has grown colder, treating her more like a housekeeper than a future wife. And her time feels empty and purposeless. Cassandra has always been riddled with insecurities and self-doubt, but just for once she decides to take a chance on a new beginning. She answers an advert for a live-in nanny, dogwalker, cook, and all-round Superhuman for a family living in a rambling manor house on the rugged North Cornish coast. The work is hard and tiring, but Cassie has never felt so fulfilled. As Cassie learns to connect with the natural beauty unfolding around her, Cornwall starts to offer up its secrets. Soon Cassie starts wondering if she was drawn to this isolated part of the coast for a reason. Why was she guided to Foxcombe Manor? What are the flashes of light she sees in the valley? Is it her imagination, or does someone brush past her? And who is the mysterious man living deep in the woods? A beautiful romance with a hint of ghostliness. **Beneath Cornish Skies** is for anyone who has ever longed to start their lives again. Readers love **Beneath Cornish Skies**. A wonderful story of finding love, freedom, and oneself with a little help from friends, ancient magic, and spirits in the landscape. Uplifting, romantic, and perfect for anyone who loves Cornwall. Christina Courtenay, author of *Echoes of the Runes*, I absolutely adored this beautifully written book. A magical and deeply romantic read. Georgia Hill, author of *On a Falling Tide*, A beautiful story of love and self-discovery. Evocative, haunting, and magical. Nicola Cornick, author of *The Forgotten Sister*, An absorbing tale of romance and deceit, layered with supernatural magic and impressively researched historical fact. Carol Lovekin, author of *Wild Spinning Girls*, A lovely and atmospheric read filled with magical moments. Samantha Tonge, author of *The Winter We Met*, An evocative and powerful ode to Cornwall, its magic and mysteries, and the power to start over again. Nancy Barone, author of *New Hope for the Little Cornish Farmhouse*.
