The story focuses on four women whose lives suddenly turned upside down by the layoffs. They face the loss of their homes. But her husband is so defeated by his job loss, he is too immobilized to look for work, and they may lose their house. Zora's husband doesn't tell her he lost his job, and she continues her lavish lifestyle until they're nearly broke. Robin, a high school teacher expecting her first child, has given the school district her notice. When her husband's job goes up in smoke, she tries to get her job back, only to find her position has been eliminated due to the economic downturn. Meanwhile, her husband can't hold a job, and it looks as if they'll lose their new home. Each of these women realizes she will have to act if she is to save her home.
