

A scenic view of a Swiss valley. In the foreground, a person wearing a red jacket and dark pants is walking away from the camera on a wooden boardwalk that runs along a grassy slope. To the right, a large, dark wooden building with a balcony is visible. In the background, a river flows through a valley, surrounded by green fields and small houses. A prominent waterfall cascades down a steep, rocky cliff face in the distance. The sky is blue with some clouds, and the overall atmosphere is peaceful and picturesque.

Finding Ways Through Eurospace Joris Schapendonk, 2020-05-01 Studying the immigration trajectories of West Africans in the EU, this book presents a new approach to West African migrants in Europe. It argues that a migration lens is not necessarily the best starting point to understand these dynamic immigration processes. Rather than seeing migrancy as the primary marker of their lives, this book positions these trajectories in a wider social script of mobility and discusses how African migrants are confronted with rigid mobility regimes but also how they manage to transgress and circumvent them.
