Welcome to the landlocked island Swiss Watching is a fascinating journey around Europe s most individual and misunderstood country From seeking Heidi and finding the best chocolate to reliving a bloody past and exploring an uncertain future Diccon Bewes proves that there s more to Switzerland than banks and skis francs and cheese This book dispels the myths and unravels the true meaning of Swissness In a land of cultural contradictions this is a picture of the real and normally unseen Switzerland a place where the breathtaking scenery shaped a nation not just a tour itinerary and where tradition is as important as innovation It s also the story of its people who have more power than their politicians but can t speak to one another in the same language and who own more guns per head than the people of Iraq As for those national clich s well not all the cheese has holes cuckoo clocks aren t Swiss and the trains don t always run exactly on time
