the Light only Atalan the Ancestral Home of the Humans remains untouched Though not for lack of trying Atalan is protected by Hawser and the other five Ore Guardians when the Dark Seneschal attacked Hawser alone defeated them in short order The Seneschal sent his Flawed his Dark Flow and even his elite Bone Strippers all creatures not of this realm and Hawser defeated them Finally the Dark Seneschal decided since there were no more Humans and the Ore Guardians had to stay near Atalan There was no threat here and he withdrew The Humans were gone from the realm so the Atalan Archnode dimmed and ceased to function as well Even the Human s allies the Wolves and the Gryphons pulled back from any conflict to their strong places The Wolves staying to their traditional hunting grounds and the Gryphons to their plateau aerie fading completely from the memory of many The attack was efficient and succeeded Lan Lumen became the Dark Seneschal s to do with as he pleased But he had made one error When he destroyed the Halflings and before the final battle with the Humans he cast a spell to trap the Holys the spiritual guide for each of the twelve Prime Races He however mistakenly believed that because the Halflings were extinct their Holy was dead as well His casting trapped eleven of the Holys but there were still twelve Since each Holy was trapped where he or she was at the time of the casting The Earth Mother her powers dwindling was only able to hide their location from the Dark Seneschal He knows the are trapped but not where to find them But he searches For five thousand years he searches Because he knows the killing of a Holy is an imbalance the Earth Mother can never repair When a Holy dies she is gone forever An Elven princess of both warrior and spiritual cast a Faerie Swords Master and three Tarc disgraced ones who accompany them hoping to reach achieved status and gain the honored rank of Arc and the last Holy These six form a team Their task is to find and then expedite the repopulation of Lan Lumen with Humans A realm where some animals are as intelligent as the Prime Races Where oceans are bodies of water and seas are living things Where creatures of legend and prehistory live The realm of the ancient scholar Dar Ragnork's 7: The Search Begins T.D Sheikh,2012-10-31 Every generation destiny is thrust upon a very special unsuspecting child who will bear the responsibility of being the saviour for the lands of Ette However there are times when destiny is wrong and that child becomes a force of evil This is exactly what happened to Eirhual when he became a young man not wanting his reign of his lineage to ever end he cast a very powerful spell which would bewitch every first born in his family to take up the mantle when the predecessor perished Although as time went on Lord Akakois the descendant of Eirhual had his power locked away Unable to use this power Monks of a secret order known as the Order of Orin plotted to steal the source of his power in case he somehow managed to unlock its secret one day For the price of freedom the Order sent a willing Monk into the future to seek of the next true saviour who would be able to be the hero they all have been seeking and stop Akakois s reign of tyranny *Wide Awake* ,1888 *San Diego & The Legendary Blue Fire.* ,2018-01-11 Diego is a young man just starting out in life in a post medieval time period He incidentally discovers a transcendental weapon which causes great problems and ultimately gives great benefit to his lifeline The supporting cast of persons participating in Diego s life do not understand his
