House Documents United States House of Representatives,1862 Between War and Peace Victor Davis Hanson,2007-12-18 In his acclaimed collection An Autumn of War the scholar and military historian Victor Davis Hanson expressed powerful and provocative views of September 11 and the ensuing war in Afghanistan Now in these challenging new essays he examines the world s ongoing war on terrorism from America to Iraq from Europe to Israel and beyond In direct language Hanson portrays an America making progress against Islamic fundamentalism but hampered by the self hatred of elite academics at home and the cynical self interest of allies abroad He sees a new and urgent struggle of evil against good one that can fail only if we convince ourselves that our enemies fight because of something we rather than they did Whether it s a clear cut defense of Israel as a secular democracy a denunciation of how the U N undermines the U S a plea to drastically alter our alliance with Saudi Arabia or a perception that postwar Iraq is reaching a dangerous tipping point Hanson s arguments have the shock of candor and the fire of conviction
