Sydney Harbour Ian Hoskins, 2009 In 1925 DH Lawrence described a huge restless modern Sydney whose million inhabitants seem to slip like fishes from one side of the harbour to the other What was true then had been the case for centuries before and decades since Explores the story of this great waterway

Transformation of Sydney's Industrial Historic Waterfront Ece Kaya, 2019-09-26 This book examines the

impacts of tourism led transformations on the industrial historical waterfront at Darling Harbour and The Rocks in Sydney Australia in the context of urban restructuring and deindustrialisation The book also offers an extended reflection on the paradoxes between tourism and heritage This discussion is not a new concept However this book critically explores the significance of the industrial heritage assets of these areas and the implications of the transformation procedures Although Darling Harbour and The Rocks have generally been considered success stories of transformation with mixed touristic recreational residential and commercial activities this book examines and evaluates how industrial history and heritage values have been affected It demonstrates that tourism leisure led developments create urban landscapes in which cultural identity and historical assets are sacrificed and or reinvented
