Symbol and Theology in Early Judaism Jacob Neusner, 1991 Analyzes the new mode of talking about God that took shape in synagogue art and rabbinic writing in the fifth and sixth centuries CE and appealed not to propositional but to symbolic modes of discourse Demonstrates how it combined and recombined various symbols to make normative theological statements The 1991 edition was published by Augsburg Fortress Annotation copyrighted by Book News Inc Portland OR

A Theological Commentary to the Midrash: Genesis Rabbah Jacob Neusner, 2001 This theological commentary to the Rabbinic Midrash explores a simple proposition in three parts I The reading of Scripture by principal parts of the Rabbinic Midrash is formed by compositions and composites that are animated by a cogent theological system II These primary components of the Midrash compilations further are in part aimed at systematic demonstrations of theorems of a theological character III While forming a principal part of a large theological structure and system each document is unique

Handbook of Rabbinic Theology Jacob Neusner, 2021-12-28 From his extensive and intensive study of the rabbinic literature Jacob Neusner shows how the rabbinic documents give expression to a very real if implicit theological system While the rabbinic literature is often seen as a collection of miscellaneous responses to questions arising from study of the Hebrew Bible and its application to contemporary life Neusner sees a system behind and embodied in the various writings He discusses the ways in which the divine thought and the human thinking that sought faithfully to interpret it actually came to expression and treats what he calls the grammar of the divine self expression in order to help us see the theological structure that it implies Then he shows how this implicit system is expressed in the rules for the life of the people that God has chosen as his own Citing passages from almost all of the mishnaic tractates Neusner shows how they fit into and give expression to the system This publication has also been published in paperback please click here for details Theology of the Oral Torah Jacob Neusner, 1999 The Theology of the Oral Torah demonstrates the cogency and inner rationality of the classical statement of Judaism in the Oral Torah bringing a theological assessment to bear on the whole of rabbinic literature Jacob Neusner shows how the proposition The Social Structure of the Rabbinic Movement in Roman Palestine Catherine Hezser, 1997 While rabbinic literature enables us to know more about the rabbis than any of the other members of the Jewish population of Roman Palestine the social structure of the rabbinic movement remained largely unexplored In the present study Catherine Hezser combines a critical analysis of the available literary legal and epigraphic evidence with a selective employment of sociological models She examines the definition of the boundaries of the rabbinic movement deals with the nature of the relationships amongst rabbis and investigates the relationship between rabbis and their contemporaries that is students the community and the patriarch BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Early Jewish Exegesis and Theological Controversy** Isaac Kalimi, 2021-11-15 Series Jewish and Christian Heritage Series 2 Early Jewish Exegesis and Theological Controversy is an important collection of essays on

Reopening the Word Marie Noonan Sabin, 2002-02-28 This book asks How might the earliest gospel have been heard by those first followers of Jesus who were religious Jews Assuming that the earliest Jesus traditions took their shape from forms familiar to Judaism Sabin sets the composition of Mark in the context of the theological discourse of first century Judaism In that context she notes all theology was biblical It took the form of an

exchange between current events and Scripture contemporary persons and happenings were understood through the lens of the Hebrew Bible while at the same time the biblical word was reopened that is reinterpreted so as to reveal its relevance to the present faith community Applying this kind of compositional process to the Gospel of Mark Sabin uncovers a fresh reading of the seed fig tree and vineyard parables of the various Temple scenes of the foolish disciples and the wise women and of the controversial ending She highlights the results of her findings by juxtaposing them with interpretations of the same passages given by various church fathers such as Origen Irenaeus and Bede as well as by readings from the twentieth century The results are provocative Sabin sees Mark as an original theologian shaping his material out of two primary Jewish traditions the Wisdom traditions with their emphasis on God's presence in daily life and Creation theology which imagined the End Time not as a catastrophe but as a return to the Garden She thus offers a new way of understanding Mark's use of Scripture his eschatology and his presentation of Jesus In conclusion she argues that retrieving Mark's voice in the context of Early Judaism brings with it insights much needed in our day of God's presence in the ordinary of God's image reflected in female as well as male of watchfulness as the way of wisdom of God's revelation as ongoing

Three Questions of Formative Judaism Jacob Neusner, 2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details

Symbol, Service, and Song J. Nathan Clayton, 2021-11-09 In the Old Testament the Levites stand as key ministry leaders for the worship of the people of God from their origins with Moses and the tabernacle to their service at the Jerusalem temple to their roles in the postexilic period This study proposes a multidimensional reading of the texts centered on the Levites in the Davidic narratives of 1 Chronicles 10-29 From a literary point of view the notion that the Levites are closely associated with the symbol of God's presence is explored From a historical perspective the roles of the Levites in expanding the service to God and his people is examined And from a theological perspective the means by which the Levites facilitate the song of God's people is studied Overall this work seeks to defend the idea that these texts contribute significantly to the rhetorical argumentation the historiographic method and the biblical theological meaning of the canonical books of Chronicles generally and of the Davidic narratives of 1 Chronicles 10-29 specifically as they emphasize the central role played by proper Levitical worship leadership at the time of David and during the challenging situation of the Chronicler's

Yehudite postexilic audience *Impurity and Sin in Ancient Judaism* Jonathan Klawans, 2004 Jonathan Klawans shows how the link between moral impurity and physical defilement as understood by the ancient Hebrews can be followed through to St Paul and the Christian era when the need for ritual purity was finally rejected **The Development and Symbolism of Passover** Tamara Prosic, 2004-11-28 Tamara Prosic gives a new explanation of the origins development and symbolism of Passover First she examines Passover from the diachronic perspective tracing its development from the period before the centralisation of the cult until the second destruction of the temple Issues with previous scholarship are considered while at the same time she places the study of Passover within the framework of the new paradigm of historical studies of ancient Israel that advocates the indigenous Canaanitic origin of Israelites The second part of the book is synchronic in its approach to Passover and deals with its symbolism Prosic discusses Passover in biblical legends arguing that the pre Yahwistic Passover was essentially a rite of passage From there the investigation moves to symbolic elements of Passover such as time symbolism space symbolism and symbolism of the sacrifice This is volume 414 in the Journal for the Study of the Old Testament Supplement series **Ritual Innovation in the Hebrew Bible and Early Judaism** Nathan MacDonald, 2016-09-26 Are the rituals in the Hebrew Bible of great antiquity practiced unchanged from earliest times or are they the products of later innovators The canonical text is clear ritual innovation is repudiated as when Jeroboam I of Israel inaugurate a novel cult at Bethel and Dan Most rituals are traced back to Moses From Julius Wellhausen to Jacob Milgrom this issue has divided critical scholarship With the rich documentation from the late Second Temple period such as the Dead Sea Scrolls it is apparent that rituals were changed Were such rituals practiced or were they forms of textual imagination How do rituals change and how are such changes authorized Do textual innovation and ritual innovation relate What light might ritual changes between the Hebrew Bible and late Second Temple texts shed on the history of ritual in the Hebrew Bible The essays in this volume engage the various issues that arise when rituals are considered as practices that may be invented and subject to change A number of essays examine how biblical texts show evidence of changing ritual practices some use textual change to discuss related changes in ritual practice while others discuss evidence for ritual change from material culture Tolerance, Intolerance, and Recognition in Early Christianity and Early Judaism Outi Lehtipuu, Michael Labahn, 2025-10-01 This collection of essays investigates signs of toleration recognition respect and other positive forms of interaction between and within religious groups of late antiquity At the same time it acknowledges that examples of tolerance are significantly fewer in ancient sources than examples of intolerance and are often limited to insiders while outsiders often met with contempt or even outright violence The essays take both perspectives seriously by analysing the complexity pertaining to these encounters Religious concerns ethnicity gender and other social factors central to identity formation were often intertwined and they yielded different ways of drawing the limits of tolerance and intolerance This book enhances our understanding of the formative centuries of Jewish and Christian religious traditions It also brings the results of historical
