Enochian Initiation Frater W.I.T., 2006-06-15 Experience a new reality through wondrous visions of the Enochian angels Enochian magick a system of angelic evocation is one of the oldest forms of ceremonial magick in the Western world and perhaps the single most powerful magical system in all occultism It was developed by the Elizabethan magician Dr John Dee who with the assistance of his seer Edward Kelly channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm Whether you are a beginner on your path of study or already an advanced magician there is something for you in Enochian Initiation Author Frater W I T shares his own experiences and deeply personal visions expanding upon and broadening the path toward understanding forged by John Dee Aleister Crowley and other great magicians who have come before By bringing this practice into the modern era Frater W I T shows how human consciousness can be expanded and examined more closely than with simple meditation psychoanalysis or even mind altering drugs For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context Frater W I T has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names Through this book you too will learn how to develop new techniques and ideas to shape your own magical style and method An initiate of both the Masonic and Rosicrucian schools of mystery Frater W I T has spent more than twenty years studying western occult traditions The purpose of his life s work is to develop new methods of ceremonial magick and explore new vistas of psychic and spiritual potential

The Symbolism of the Tarot Petr Dem'ianovich Uspenskiĭ, 1913

Transformative Initiation for Witches Frater Barrabbas, 2024-08-07 Initiation is one of the most mysterious and documented traditional practices of Witchcraft. What is not well known is that behind the scripted initiations are the symbols of transformation encapsulated in the twenty-two tarot trumps of the Major Arcana. Initiations follow the literary cycle of the hero and the heroine and combined with the trumps produce a system of magic used to trigger and wield the powers of psychic transformation. Additionally, this book analyzes the traditional scripted initiations of Witchcraft, their relationship to Masonic initiations, and produces new practices like the periodic dedication rite, the third degree ordeal, self-initiation of the four elements, the rumored fourth and fifth degrees, and the initiation mysteries of a Witchcraft inner order. Most importantly, this book gives the reader the ability to direct and shape their own inner cycles of transformation so that they might master the art of inner change for themselves and their students. The purpose of directing and shaping inner change is to assist in achieving a sustainable mind state of conscious ascension. The rituals and practices in this book give the reader for the first time the ability to design, write, perform, and realize the powers of psychic transformation and initiation.
