Quick Answers to Social Issues Bryan Osborne, 2020-03-03 The collapse of the Christian worldview in America and the West is happening to the utter shock of Christians Why They ve been blind to the enemy s stealth attack on biblical history and authority which has led multiple generations to abandon God s Word as their foundation When our culture asks the questions dealt with in this book and our kids parrot these questions and ideas heard from schools libraries movies books music YouTube social media etc it must be remembered they re not innocent unintentional questions They stem fundamentally from a rejection of biblical authority Quick Answers to Social Issues provides answers for some of the toughest questions of the day regarding Marriage and sexuality from God s Word Response to the LGBTQ community Animal rights and the green movement The biblical response to racism It s imperative that Christians be ready to give answers to today s questions Thus the passion and purpose of this book is to equip you with clear concise biblical answers to effectively stand on God s Word and boldly proclaim the gospel of Jesus Christ on the frontlines of today s battle Whatcha' See? Are You Getting Used to the Dark? Frank E. McLeod, 2010-04 Jesus said The light of the body is the eye if therefore the light that is in thee be darkness how great is that darkness Whatcha See challenges readers with the recognition that they have perhaps unknowingly grown used to the darkness of a life away from God s light The book features a unique biblical parallel between how physical eyes adjust to the darkness and how man originally moved away from God s light and eventually grew comfortable in the darkness The author utilizes physical examples and practical guidelines to make his point He also quotes numerous scriptures from Genesis to Revelation to indicate the importance of what man sees in relation to his walk with God Whatcha See helps readers refocus their vision on the glory of God and not allow their eyes to drift away from that focus Author Dr Frank E McLeod is a full time pastor who lives in the metro Atlanta area His inspiration for Whatcha See comes from a gospel song he once heard titled Getting Used to the Dark The song inspired McLeod to study in depth biblical references to light and dark His next book is a Bible study on God s perfect will on the topic of alcohol Publisher s website <http://www.strategicpublishinggroup.com/title/WhatchaSee.htm> **The Five Disciplines for Christians** Elliott

Bray,2019-07-25 This commentary offers a verse by verse theological interpretation of the First and Second epistles to Timothy and Titus Bray reads the letters as authoritative scripture moving beyond questions of whether they are pseudonymous and of whether or not they are post apostolic instead looking closely at how they have been understood in the life of the Church Bray engages with the history of commentary surrounding these letters ranging from the Fathers to contemporary theology and exegesis He reads the epistles as the authoritative word from God to his people and through his engagement with the history of interpretation shows the constant thread of witness and confession that unites believers across the ages In so doing Bray shows why the Pastoral Epistles have survived the passage of time and have retained the canonical authority that they have always enjoyed **Congressional Record** United States.
