Sisson's Word and Expression Locator

by A. F. Sisson

*"In my forty-one years as a teacher of English
language and literature at the University of Maryland,
I have examined many books dealing with
vocabulary and linguistics, studies and with words and
their usage and none in the development of the
English language, and I can verify that no book with
which I am familiar shows as much thoroughness
and as much real scholarship as the
WORD AND EXPRESSION LOCATOR."*

*James E. Hartman, Professor Emeritus
English Language and Literature, University of Maryland*

How would you find the word that means "an intense desire to have?"
