Sixtysix Things God Wants You To Know For The 21st Century:

Sixty-Six Things God Wants You to Know for the 21st Century Henry W. Curtis, Jr.,2000-11-01 **Sixty-Six Books: 21st-century writers speak to the King James Bible** the bush theatre,2012-05-02 The King James Version of the Bible KJV is a foundation stone of the English language The KJV was composed as a collective project and written to be spoken Sixty Six Books has been created in the spirit of the original in the same way Pulpit to print stage to page mediated through many forms oral and written this is a work that has travelled to every continent of the globe It has been shared as a melodic instrument of inspiration illumination and mutual understanding and it has also been wielded as a tool of colonial oppression Sixty Six Books is a fresh interpretation of the KJV for the new millennium celebrating and challenging the traditions and achievements of this great work on the occasion of its 400th anniversary The curators of this project have gathered together a formidable and inspiring line up of the best established and emerging writing talent to respond to create a new a book of the KJV speaking back to the KJV with untrammelled inventiveness of the imagination The voices of Sixty Six Books drawn from across five continents innovate transmute transpose reinvent and talk back to four hundred years of history Authors include Kwame Kwei Armah Neil Bartlett Billy Bragg Laura Dockrill Carol Ann Duffy Stella Duffy David Eldridge Naomi Foyle Nancy Harris Jackie Kay Neil LaBute Nick Laird Stewart Lee Kate Mosse Andrew Motion Paul Muldoon Anya Reiss Tim Rice Michael Rosen Wole Soyinka Enda Walsh Rowan Williams Jeanette Winterson and many more

Sixty-Six Devotions from Sixty-Six Great Books Perryn A. Rice,2013-10-21 book description coming soon The 66 Books Barry Bowen,2011-06-29 It is reasonable to think that if God is God and he wrote a book about what he has done he would be able to prove it is his book beyond any reasonable doubt This would involve making it clear that only God could write it the way it has been written The purpose of these pages is to show he has done this and to explain how it proves it is from God This is about the prophecy of Isaiah in the Bible and its 66 chapters as they introduce the 66 books of God What we have here is the most exciting and fascinating information available to man All I have to do is convince you of that I have set up the hypothesis for this study as follows The chapters of Isaiah s prophecy give a summary of each of the books of the Bible If this is so then the purpose of Isaiah would be to bind the 66 books of the Bible together as the inspired writings of God For the hypothesis to be true each verse of each chapter of Isaiah must relate to the book in question To explain this it is necessary to cite each verse and show the relevance to the book The key that unlocks this message involves the first verse of the chapter with the last verse of the chapter that points you to the book to which it refers The subject of the book is in the middle verse or verses of the Isaiah chapter I will give you 66 examples of this as we progress There are several reasons for developing this hypothesis 1 There are 66 chapters in Isaiah and 66 books in the Bible 2 It has long been recognized there is a division of the book of Isaiah at chapter 40 This would make thirty nine chapters for the Old Testament books and twenty six for the New Testament 3 Every chapter except two groups of four deal with different subjects which shows we are not

dealing with a particular history or argument so we are entitled to ask why the chapters do not connect The two groups are interesting they are chapters 36 37 38 and 39 that speak of Hezekiah and chapters 52 53 54 and 55 that speak of Messiah 4 Isaiah is a difficult book to understand unlike any other in scripture 5 The New Testament writers used Isaiah to prove what they wanted to say about Gentiles There are or verses about one hundred and fifty direct quotations or allusions from Isaiah in the New Testament So it is reasonable to suspect that Isaiah is the proof of all things The rules that apply for examining this hypothesis are 1 The issue in the chapter and the issue in the book must match and this must be explained in such a way there is no doubt they are linked 2 The first verse of the chapter in Isaiah should define the issue in the chapter and the issue in the book And the last verse of the chapter make a similar obvious connection 3 The middle verse or verses of the chapter will give the subject matter of the book 4 The size of the chapter is usually in proportion to the size of the book This can vary with the size of the subject If it is a small book with a large subject it could be a large chapter 3 There should be a significant list of connections between the chapter of Isaiah and the book to which it refers 4 Each verse of the chapter must make sense in relation to the book A connection must be a quotation or allusion or an argument on the same subject Some will have difficulty with the parables of the Old Testament because they may not have met them before We need to keep in mind this information in the parables is not for everyone Usually it is preserved for certain people at a special time and place For instance it may be for convincing Jews of the twenty second century that Jesus is Messiah That will involve showing how their own scripture the Old Testament spoke of the things outlined in The New Testament The lord used parables to withhold information from those for whom it was not intended and deliver it to those who were to know these things So the idea there is mor

The Unshakable Truth Josh McDowell, Sean McDowell, 2011-08-01 The name Josh McDowell promises real life on the street Christian apologetics In his first Harvest House book Josh joins his son Sean to draw on his life s work and comprehensively address a vital issue why an entire generation of young Christians and millions of older believers is confused about what they believe why they believe it and how it s relevant The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally focusing on how Christianity s doctrines affect relationships The authors ground every assertion in the overarching story of creation incarnation and re creation distill 12 crucial faith statements for example A personal Creator God exists explain why each statement is trustworthy how it applies to real life and using examples stories and experiences what its relevance is A spiritual gold mine for parents youth workers pastors anyone wanting to reveal Christianity s relevance to today s life and culture *Faith and God's Word in a Wondering World of the 21st Century* Marilyn Huggins Holcombe, 2025-06-03 The author wrote four sections called books The first section or book points out the need to give more up to date interpretation to the early chapters of Genesis There is a very strong parallel of the first chapters of Genesis and science s steps of creation and this is set down in the first section Four thousand years before scientists could plot the ages of very ancient life before telescopes and microscopes were invented and DNA to

help study ancient mankind this amazing book had a record of this history and it was written down in God's Holy Scripture In Book Two the author set down a precise list of the parts of a strong faith How would the reader picture God What image of God did God give His human creation Why did God create the Universe the Earth and all life For success in Christian living a person must know God's Word the Bible So the author wrote a simple commentary of each of the books of the bible This provides a clear foundation of understanding on which to build a lifetime of Bible study *Songs of the Church 21st Century*
