

What happens when
a group of people are kidnapped
from their homes, smuggled away in
chains, and held captive in a
foreign land, where they
are tortured, raped, and forced to
perform hard labor by the lash of a
whip and under the constant threat of death?

Sekayi, 2013-02-01 This study examines the narrated life experiences of 11 African American intellectual activists An intellectual activist is defined as a person whose education has provided him or her with a body of knowledge to which he she is continually adding intellectual self and who works daily for or has a career dedicated to the betterment of African American people activist self The voices of the subjects focus on the events in their lives that

contributed to their development as intellectuals and activists Discussions of the individuals backgrounds illuminate the forces that influenced their life experiences and guided their actions toward involvement with the struggle to improve the lives of the African American community The overarching theme in these life stories is the possession of a positive African American self concept The study explores the ways in which the subjects developed this positive self concept how this self concept influenced the goals of their activism and how they define progress toward these goals

The Psychology of Black Boys and Adolescents Kirkland C. Vaughans, Warren Spielberg, 2014-06-30 Drawing on personal insights and research based knowledge this important work facilitates understanding of the psychological struggles of young African American males and offers ameliorative strategies Despite examples set by successful black men in all walks of life the truth remains that a disproportionate number of black boys and young men underperform at school suffer from PTSD and too often find themselves on a pathway to jail The two volume *The Psychology of Black Boys and Adolescents* marks the first attempt to catalog the many psychological influences that can stack the deck against black male children and to suggest interventions Bringing together an expansive collection of new and classic research from a wide variety of disciplines this set sheds light on the complex circumstances faced by young black men in the United States Contributions by authors Kirkland Vaughans and Warren Spielberg contain insights from the groundbreaking Brotherman study conducted over a ten year period to report on the lives and psychological challenges of over a hundred African American boys and their families Among the myriad issues studied in this set are the often negative expectations of society the influence of gangs and the impact of racism and poverty Of equal importance the work explores culturally specific ways to engage families youths communities and policymakers in the development of healthy safe educated boys who will become whole and successful adults

Multicultural Perspectives In Social Work Practice with Families, 3rd Edition

Manny J. González, 2012-10 Print CourseSmart *How Black Disadvantaged Adolescents Socially Construct Reality* Loretta J. Brunious, 1998 In a pilot study applying Berger and Luckmann's social construction of reality framework Brunious Loyola U Chicago elicits perceptions about school popular culture and mass media from 20 Chicago inner city black teens Refuting the still prevalent myth that poor African American youth suffer

Black Haze, Second Edition Ricky L. Jones, 2015-06-01 Expanded and revised edition of the first book devoted solely to black fraternity hazing Are black men naturally violent Do they define manhood in the same way as their counterparts across lines of race Are black Greek letter fraternities among the most dangerous student organizations on American college and university campuses Can their often dangerous initiation

processes be stopped or even modified and if not what should be done about them In this second edition of *Black Haze* Ricky L Jones takes on these questions and more The first edition was an enlightening and sometimes disturbing examination of American men's quest for acceptance comfort reaffirmation and manhood in a world where their footing is often unstable In this new edition Jones not only provides masterful philosophical and ethical analyses but he also forces the engagement of a terrifying real world process that damages and kills students with all too frequent regularity With a revealing new preface and stunning afterword Jones immerses the reader in an intriguing and dark world marked by hypermasculinity unapologetic brutality and sometimes death He offers a compelling book that ranges well beyond the subject of hazing one that yields perplexing questions and demands difficult choices as we move forward in addressing issues surrounding fraternities violent hazing black men and American society *Black Haze* is a landmark study on hazing culture within black Greek letter organizations With an insider's eye and scholar's touch Jones masterfully captures the emic contours complexities and contradictions of black fraternity hazing as ritual act and cultural practice This text is at once rigorous and accessible theoretical and practical classic and urgent Anyone interested in understanding hazing masculinity BGLOs or black cultural practice must read this book Marc Lamont Hill coauthor of *The Classroom and the Cell Conversations on Black Life in America* *Black Haze* is a compelling survey of black Greek letter organizations their history purpose and their most damning traditions This is an examination of how the virtues of brotherhood and civic service coexist with brutal violence and cruelty within some of the oldest organizations in black America Professor Jones has produced a vital contribution about a crucial and enduring problem William Jelani Cobb author of *The Substance of Hope Barack Obama and the Paradox of Progress* Ricky Jones's *Black Haze* is an important study of black male identity development By examining black men's relationship with fraternities he uncovers larger and brilliantly penetrating insights into issues of masculinity and political identity among African American males in the post civil rights era Peniel E Joseph author of *Waiting Til the Midnight Hour A Narrative History of Black Power in America* *Black Haze* is a riveting coup de gr ce against ritualized violence in black fraternities The second edition of *Black Haze* is the most penetrating illuminating and articulate sociopolitical and cultural analysis of the chilling legacy of violence in black Greek letter fraternities As one of the world's leading authorities on black masculinity and organizations Ricky Jones intelligently confronts traditional verities social norms and myths that seek to justify and continue ritualized violence in black fraternities through the courageous prism of a reformed insider dedicated to the preservation of black dignity and life Jeremy I Levitt author of *Black Women and International Law Deliberate Interactions Movements and Actions Praise for the First Edition* provides valuable insights into the reasoning behind hazing a practice that extends into the realms of sports and even high school and is relevant for not only fraternity members and officials but the general public as well The Griot an important contribution because of the skillful manner in which Jones incorporates and critically analyzes relevant literature and other related scholarly writings Jones himself a member of Kappa Alpha Psi offers personal

observations as well as first hand views and perceptions of hazing *Journal of College Student Development* Dark Tourism and Place Identity Leanne White, Elspeth Frew, 2013-03-20 Dark Tourism including visitation to places such as murder sites battlefields and cemeteries is a growing phenomenon as well as an emergent area of scholarly interest Despite this interest the intersecting domains of dark tourism and place identity have been largely overlooked in the academic literature and this book aims to fill this void The three main themes of Visitor Motivation Destination Management and Place Interpretation are addressed in this book from both a demand and supply perspective by examining a variety of case studies from around the world This edited volume takes the dark tourism discussion to another level by reinforcing the critical intersecting domains of dark tourism and place identity and in particular highlighting the importance of understanding this connection for visitors and destination managers Written by leading academics in the area this stimulating volume of 19 chapters will be valuable reading for postgraduate and advanced undergraduate students in a range of discipline areas researchers and academics interested in dark tourism and other interested stakeholders including those in the tourism industry government bodies and community groups

My Schoolhouse Is a Ghost Town Sunni Ali, 2016-03-16 This book is dedicated to the terrific educators that inspire uplift and challenge young people to achieve their personal goals and aspirations The journey of being a teacher is truly arduous and challenging which makes it difficult for some teachers to remember why they entered this field Teachers dedicate a great portion of their lives giving back to society and despite their sincerest efforts policyholders business leaders and certain members of the public do not appreciate the work educators perform on a consistent basis Although it is very telling how many public schools have been closed and minority teachers dismissed from current reform other schools and teachers will soon feel its wrath unless there is an educational push back and demand for a return to community schooling This book speaks to not only how an educator continues to utilize creative methodology to reach youth but also navigate through the harshness imposed by current school reform initiatives *My Schoolhouse is a Ghost Town* further challenges educators and parents to commit to activism as currently demonstrated by members of the Chicago Teacher Union and parent progressive organizations to fight for reform under this current system and create their own school models Otherwise more urban public schools along with black and brown teachers will become ghost as unrealistic demands continue to impact this great profession

Making Satan Weep R. Leland Smith, 2009-05-01 Lorenzo Tolliver works as an investigative reporter with The Chicago Defender News Paper He adopted a journalist name of Cyrano because he was accused by many of being too nose-y His column appeared infrequently since he devoted much of his time doing research and seeking personal interviews When he exploded a bombshell that Satan weeps he gained national recognition throughout the Christian society Its his eye opening article he recalled the many observations and conversations he had conducted

Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century Libra R. Hilde, 2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of

manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master's property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood

African American Patients in Psychotherapy Ruth Fallenbaum, 2018-02-19 African American Patients in Psychotherapy integrates history current events arts psychoanalytic thinking and case studies to provide a model for understanding the social and historical dimensions of psychological development Among the topics included are psychological consequences of slavery and Jim Crow the black patient and the white therapist the toll of even small racist enactments the black patient's uneasy relationship with health care providers and a revisiting of the idea of black rage Author Ruth Fallenbaum also examines the psychological potential of reparation for centuries of slave labor and legalized wage and property theft

Got My Own Song to Sing Jay Thomas Willis, 2020-06-01 I describe in this book how the Post Traumatic Slave Syndrome has historically and currently affected my own family and subsequently many other Black families The book suggests that pre slavery Middle Passage post slavery and modern day conditions contributed to the Black family's pathologies It goes on to demonstrate the manifestation of some of these specific problems in my family that has been caused by these historical conditions It shows how the past continues to write on the slate of today It also implies that the Post Traumatic Slave Syndrome will continue to affect the Black family in the distant future

Constructing Social Reality Loretta Brunious, 2017-10-03 This book examines how black children who grow up in an impoverished environment construct their social reality and why this process is a particularly critical factor in their perception and creation of self It argues that black disadvantaged children develop a lifestyle and adopt values based on an identity grounded in racism inequality violence and poverty Constructing Social Reality Self Portraits of poor Black Adolescents makes a valuable contribution to the scholarship by investigating the phenomena of poverty from cognitive linguistic and experiential perspectives in the lives of disadvantaged black adolescents
