Antarctica and the Southern Ocean Nicholas Golledge,Eileen Hofmann,Marilyn Raphael ,Letizia Tedesco,2024-06-26 Antarctica is our southernmost continent It is nearly double the size of Australia Antarctica is covered almost entirely by land ice called the Antarctic Ice Sheet and is surrounded by the Southern Ocean The Southern Ocean influences climate by taking up heat and carbon dioxide from the atmosphere and storing it in deep waters The cloud processes and aerosols over the Southern Ocean are complex and are important

challenges for climate models To understand the climate of the past polar scientists drill ice cores through the Antarctic Ice Sheet The ice core is a powerful tool that we can use to determine how the Earth's climate has changed and the information provided by historical ice cores has become extremely valuable for predicting the future scenarios of our planet This ice is the largest reservoir of fresh water on Earth The Antarctic Ice Sheet flows down into the Southern Ocean where parts of it start to float These large floating platforms of ice are called ice shelves Knowledge of the sensitivity and interaction of ice shelves to changes in atmosphere and ocean is important to understand the contribution of Antarctica to global sea level rise and the Southern Ocean and global marine ecosystems If melted the Antarctic Ice Sheet would be a major contributor to global sea level rise In winter the surface of the ocean around Antarctica freezes and sea ice forms At the height of winter the area of sea ice that forms is as large as Antarctica itself but it melts back to the continent every summer The amount of sea ice that forms in winter and melts back each summer is different We examine this annual fluctuation of sea ice area around Antarctica for indications of climate change Sea ice provides important habitats for primary producers such as sea ice algae and Antarctic krill a keystone species of the Southern Ocean ecosystem Sea ice is also an important habitat for penguins and seals This collection aims to inform young readers about fundamental knowledge and digested cutting edge science that will help increase their understanding of Antarctica and its central role as a global climate driver In addition to the Editors

Looking Like a Language, Sounding Like a Race Jonathan Rosa, 2019 Looking like a Language Sounding like a Race examines the emergence of linguistic and ethnoracial categories in the context of Latinidad The book draws from more than twenty four months of ethnographic and sociolinguistic fieldwork in a Chicago public school whose student body is more than 90% Mexican and Puerto Rican to analyze the racialization of language and its relationship to issues of power and national identity It focuses specifically on youth socialization to U S Latinidad as a contemporary site of political anxiety raciolinguistic transformation and urban inequity Jonathan Rosa's account studies the fashioning of Latinidad in Chicago's highly segregated Near Northwest Side he links public discourse concerning the rising prominence of U S Latinidad to the institutional management and experience of raciolinguistic identities there Anxieties surrounding Latinx identities push administrators to transform at risk Mexican and Puerto Rican students into young Latino professionals This institutional effort which requires students to learn to be and importantly sound like themselves in highly studied ways reveals administrators attempts to navigate a precarious urban terrain in a city grappling with some of the nation's highest youth homicide dropout and teen pregnancy rates Rosa explores the ingenuity of his research participants responses to these

forms of marginalization through the contestation of political ethnoracial and linguistic borders You Have to Pay for the Public Life Charles W. Moore, 2004-02-27 Previously uncollected essays of an architect whose love of people buildings and nature was reflected in the places he built Architect Charles Moore 1925 1993 was not only celebrated for his designs he was also an admired writer and teacher Though he wrote clearly and passionately about places he was perhaps unique in avoiding the tone and stance of the personal manifesto Through his buildings books and travels Moore consistently sought insights into the questions that always underlie architecture and design What does it mean to make a place and how do we inhabit those places How do we continue to build upon but respect the landscape How do we reconcile democracy and private land ownership What is original What is taste What is the relationship between past and present How do we involve inhabitants in making places Finally what is public life As the world becomes smaller and the uniqueness of places and landscapes gives way to sameness Moore's celebration of the vernacular and of the surprising are more relevant than ever The pieces in this book span the years 1952 to 1993 and engage a myriad of topics and movements such as contextualism community participation collaboration environmentally sensitive design and historic preservation The essays in this book reflect as well Moore's scholarship humanism urbanity and great wit *Complete Idiot's Guide to Solos and Improvisation*, 2004 Describes how to improvise melodies over any chord progression covering such topics as the chord theory phrasing melodies scales soloing articulations and rhythms *Fracturing Opportunity* R. Evelyn Gildersleeve, 2010 Fracturing Opportunity demonstrates a simple yet profound idea that educational opportunity is learned And if it is learned then it can be taught and taught more equitably This book brings sociocultural theories of learning and development to bear on the persistent problems of inequality in college access and presents an innovative framework for understanding and addressing the historic inequities that plague educational opportunity Through ethnographic documentation of Mexican migrants' educational experiences the book moves beyond traditional inquiry on aspiration academic preparation and college matriculation to explore the deeper more fundamental sense making processes that mediate how students among the most vulnerable cultural communities in the United States engage in college going This is an excellent text for educators and researchers interested in equal educational opportunity generally Mexican migrant and Chicano education in particular and scholars interested in applied critical sociocultural theory and critical ethnographic methods **My Life as a Cowboy Cowpie** Bill Myers, 2001-05-06 Once again our part time hero and full time walking disaster area finds himself smack dab in another misadventure This time it's full of dude ranch disasters bungling bronco busters and the world's biggest cow and well let's just say it's not a pretty picture or a pleasant smelling one Through all this Wally learns the importance of following God's command to always forgive one another *Strange Sounds* Timothy D Taylor, 2014-01-02 In *Strange Sounds* Timothy D Taylor explains the wonder and anxiety provoked by a technological revolution that began in the 1940s and gathers steam daily Taylor discusses the cultural role of technology its use in making music and the inevitable concerns about authenticity

that arise from electronic music Informative and highly entertaining for both music fans and scholars Strange Sounds is a provocative look at how we perform listen to and understand music today
