Soundings in Satanism Francis Joseph Sheed,1951 *Soundings in Satanism* Francis Joseph Sheed,1972

Mephistopheles Jeffrey Burton Russell,1990 An excellent and important intellectual history Library Journal Using examples from theology philosophy art literature and popular culture Russell describes the great changes effected in our idea of the Devil by the intellectual and cultural developments of modern times Mephistopheles is the fourth and final volume of Jeffrey Burton Russell s critically acclaimed history of the concept of the Devil The series constitutes the most complete historical study ever made of the figure called the second most famous personage in Christianity In the first three volumes the author brought the history of Christian diabolology to the end of the Middle Ages This volume continues the story from the Reformation to the present tracing the fragmentation of the tradition **Picked-Up Pieces** John Updike,2013-01-15 In John Updike s second collection of assorted prose he comes into his own as a book reviewer most of the pieces picked up here were first published in The New Yorker in the 1960s and early 70s If one word could sum up the young critic s approach to books and their authors it would be generosity Better to praise and share he says in his Foreword than to blame and ban And so he follows his enthusiasms which prove both deserving and infectious Kierkegaard Proust Joyce Dostoevsky and Hamsun among the classics Borges Nabokov Grass Bellow Cheever and Jong among the contemporaries Here too are meditations on Satan and cemeteries travel essays on London and Anguilla three very early golf dreams and one big interview Picked Up Pieces is a glittering treasury for every reader who likes life books wit and John Updike Satan Harold Bloom,2009 Presents a collection of writings exploring the character of Satan in world literature Satan in America W. Scott Poole,2009-11-16 Satan in America tells the story of America s complicated relationship with the devil New light evangelists of the eighteenth century enslaved African Americans demagogic politicians and modern American film makers have used the devil to damn their enemies explain the nature of evil and injustice mount social crusades construct a national identity and express anxiety about matters as diverse as the threat of war to the dangers of deviant sexuality The idea of the monstrous and the bizarre providing cultural metaphors that interact with historical change is not new Poole takes a new tack by examining this idea in conjunction with the concerns of American religious history The book shows that both the range and the scope of American religiousness made theological evil an especially potent symbol Satan appears repeatedly on the political religious and cultural landscape of the United States a shadow self to the sunny image of American progress and idealism **Lure of the Sinister** Gareth Medway,2001-04 A frequent writer on comparative religion and the history of occultism Medway begins by exploring what a Satanist is and why people worship Satan then looks at such topics as the history of Satan and the Pact Satanic crime hell on earth sex slaves of Lucifer and the relationship between paranoia and conspiracy He explains that as a Pagan he does not believe in Satan but neither does he believe in Christianity but knows Christians are real Annotation copyrighted by Book News Inc Portland OR Demon Possession John Warwick

Montgomery, 2018-01-26 In January of 1975 the Christian Medical Association gathered to deliver papers on the subject of demon possession The essayists are Christians affiliated with a variety of academic institutions The essays themselves explore the phenomena of the demonic in the Bible in literature on the mission field in anthropology legal history and psychiatric treatment All of the participants accept the reality of the demonic but they are circumspect in their scholarship If you are looking for a more substantial treatment than what you might find in popular booklets on the subject or on the fiction aisle this is it never before or since this symposium has there been a focused study of this magnitude on demon possession

Marshall, 2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical

sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility *John Updike's Rabbit Tetralogy* Marshall Boswell,2001 Structure of the finished mega novel echoes the work s thematic rationale To help readers who are interested in a particular Rabbit novel Boswell devotes a chapter to each individual section of the tetralogy At the same time he treats each novel as an integral part of the more comprehensive whole Book Jacket **Opening and Closing** Klapp,1978-09-29 In this original application of information theory to social analysis Orrin Klapp examines how and why societies are producing more stress than they ever can handle He argues that the reduction of social noise the chaos from which we try to construct meaning is a major goal of individuals and groups alike Individuals groups even entire societies normally cycle rhythmically between two basic modes of adaptation to the constant communication flow opening or scanning for desired information and closing or defending against noise For example in a society functioning in the opening mode movements like ecumenicism and expansionism achieve momentum Extreme reactions in either mode lead to an opposite swing according to Professor Klapp s model His wide ranging conceptual scheme incorporates hypotheses about the variety and redundancy of information as well as about human channel capacities and the need for homeostatis His research reveals intriguing relationships among such phenomena as the concern about industrial population and the search for ethnic roots **Chicorel Index to Parapsychology and Occult Books** Marietta Chicorel,1978 **Exorcism and Its Texts** Hilaire Kallendorf,2003-12-15 Exorcism and demonic possession appear as recurrent motifs in early modern Spanish and English literatures In *Exorcism and Its Texts* Hilaire Kallendorf demonstrates how this infection was represented in some thirty works of literature by fifteen different authors ranging from canonical classics like Shakespeare Cervantes Ben Jonson and Lope de Vega to obscure works by anonymous writers From comic and tragic drama to picaresque narrative and eight other genres possession worked as a paradigm through which authors could convey extraordinary experience including not only demonic possession but also madness or even murder The devil was thought to be able to enter the bodily organs and infect memory imagination and reason Some came to believe that possession was tied to enthusiasm poetic frenzy prophecy and genius Authors often drew upon sensational details of actual exorcisms In some cases such as in Shakespeare curing the body and the body politic meant affirming cultural authority in others as with Zamora it clearly meant subverting it Drawing on the disciplines of literary theory and history *Exorcism and its Texts* is the first comprehensive study of this compelling topic **Connecticut Review** ,1987 **The Function of Exorcism Stories in Mark's Gospel** Andreas Hauw,2019-05-29 This book investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3

20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark s Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark s Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul *Routledge Library Editions: Sociology of Religion* Various,2021-07-14 This set collects

together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

Myth and Gospel in the Fiction of John Updike John McTavish,2018-01-01 Big on style slight on substance that has been a common charge over the years by critics of John Updike In fact however John Updike is one of the most serious writers of modern times Myth as this book shows unlocks his fictional universe and repeatedly breaks open the powerful themes in his literary parables of the gospel Myth and Gospel in the Fiction of John Updike also includes a personal tribute to John Updike by his son David two essays by pioneer Updike scholars Alice and Kenneth Hamilton and an anecdotal chapter in which readers share Updike discoveries and recommendations All in all weight is added to the complaint that the master of myth and gospel was shortchanged by the Nobel committee **American Book Publishing Record Cumulative, 1950-1977: Title index** R.R.
